CRICKET TASMANIA

Cricket Tasmania is proud to work with the Tasmanian Government and the Hobart, Launceston and Burnie City Councils in growing the game of cricket. Our government partners recognise the indelible contribution that cricket makes to the Tasmanian community.

From developing Tasmanians to represent Australia on the world stage, to hosting domestic or international cricket at Blundstone Arena, UTAS Stadium and West Park Oval, or supporting our 50,000-strong cricket community to pursue an active and healthy lifestyle – cricket is a vital part of the fabric of Tasmania's sporting heritage.

Thanks to the support from the Tasmanian Government and the Hobart, Launceston and Burnie City Councils, Cricket Tasmania is able to unite and uplift the Tasmanian community through their passion for cricket, support local businesses, provide community services and perform educational programs as we grow the game at all levels right across our wonderful State and ensure cricket remains Tasmania's favourite sport.

From the Chairman

Another season has come and gone; the second year of our three-year rebuild and things are certainly progressing well ahead of our expectations.

The performance of all our of teams could best be described as promising but perhaps in the end, frustrating. We put ourselves in the position to win but at the end of the day there was no silverware. At Cricket Tasmania we don't like saying "Tasmania punches above our weight" because we are part of a national, professional competition and will be judged in comparison to Victoria and NSW, not the Northern Territory or ACT. We like to think that we just punch and punch hard.

Some of our hardest punchers deserve special recognition.

The Tigers men had an excellent JLT One Day Cup, making the final but finishing runners-up after having to bat second on an increasingly slow and low pitch. We remained well in the running during the Sheffield Shield until the second last round, falling just short of what would have been a record 450 run chase.

The Hurricanes men led the competition throughout, winning ten games and playing some exciting and dominating cricket, but lost the home semi-final.

The performances of all of our men's teams point to a significant upside over the next few years. We have a mix of good experienced players together with exciting young players who are putting their names forward for national selection.

Which leads me to our female program. For many years our female program has been under-resourced. Over the last two years we have made a conscious effort to pump significant funds into the women's program and the results have certainly showed.

There are a couple of things which are missing in the Cricket Tasmania trophy cabinet. One is a Big Bash trophy and the other is female silverware.

It may come as a surprise to some out there in the community, but the AFL did not invent women's sport. The Australian Women's Cricket Championship has been in place since 1930 and the WNCL since 1996. Our female professional Tasmanian senior team will next season celebrate ten years of playing in the WNCL. And they have managed to do this wearing green, yellow and maroon, not blue and white.

This year saw a significant and remarkable improvement in the WNCL. In the past eight years our female team had six wins from 49 matches. This year saw the team win four games from six matches, losing out on a grand final spot by a bonus point and a loss by 13 runs in the last round. Congratulations to Salliann Briggs and all the coaching staff and team. Next season looks promising with several high-profile recruits.

Our women's Big Bash team was perhaps cruelled by the early injury to Hayley Matthews, mixed in with a number of games where we got ourselves into winnable positions but then lost, including two super-overs. However, with most of the team returning for next season there is a great upside.

If we want cricket to be Tasmania's favourite sport and a sport for all Tasmanians, then we need to ensure that our women's teams are held in the same regard as

For many years our awards night was known as the Ricky Ponting Medal Night. It is now known as the Cricket Tasmania Awards Night, because it recognises both our male and female champions. Further, from next season we will strike a medal which will be presented in conjunction with the Ricky Ponting Medal for the outstanding overall female cricketer in all competitions. The challenge now is for those either in or entering the program to have such a career that we can name the medal after them.

The Big Bash League in its expanded form this season provided the ability to take more cricket around Tasmania. The female Hurricanes made history by playing in Burnie for the first time, with over 2,000 fans coming to see the two games in December. Next year we again intend to travel to Burnie and Launceston.

The Men's Hurricanes played two games in Launceston with over 25,000 fans turning up to watch. These games are important to ensure that our cricket teams remain Tasmania's teams, the success of which can be gauged by a team called Hobart attracting 25,000 passionate and supportive fans when playing in Launceston.

Together, with the Australian Cricketers Association, we are working to bring past players back into the fold. It is important to live in the present, look to the future, but to ensure that we don't forget the past.

In February we honoured the 40th anniversary of Tasmania's first Shield win and Gillette Cup win of 1979, with all but one of the living members attending and showing that they still knew how to have a good time. In future years, these sorts of reunions will be an annual event. Next season we will celebrate the ten years of our women's team and also 30 years since our first Test Match, so plenty of reminiscing to look forward to.

There were numerous personal achievements. These included:

- Of course Tim Paine performing such a stellar job as Australian Test Captain in difficult times. Tim's laid back yet strong leadership has been instrumental in the Australian team recovering the ground it had lost in the public eye. In addition, Ben McDermott and D'Arcy Short were both rewarded with Australian representation.
- At this years' Australian Cricket Awards, Matthew Wade was rightly named Domestic Player of the Year with Jackson Bird not far behind.
- Adam Griffith selected as Assistant Coach (along with Ricky Ponting) for the World Cup in England.
- Drew Ginn being appointed as High Performance Manager at Cricket Australia.

- Georgia Redmayne was named WNCL Player of the Year, with Corinne Hall also in the top 5 vote scorers.
- In these times the Richie Benaud Spirit of Cricket Awards for the men's and women's teams who are voted as having played in the best of spirit and with the greatest respect for the game are highly valued. It was a real pleasure to have both our men's and women's teams win these awards for the past season. Well done to all involved - it isindicative that we play hard but fair.
- Corinne Hall and Jake Doran were two of the three finalists at the Australian Cricket Awards for the Community Champion Award, an award developed in partnership between Cricket Australia and the Australian Cricketers Association to acknowledge the contribution of players to the broader community and people who have gone above and beyond in charity or community work.
- Emma Mannix-Geeves was named Player of the Women's Tournament at the National Indigenous Cricket Championships.
- Sam Nogalski and Michael Graham-Smith again enjoyed excellent umpiring seasons, with Sam selected to umpire the Sheffield Shield Final.
- A special mention to Michael Gandy and Tony Harrison who in the Australia Day and Queen's Birthday Honours this year received Medals of the Order of Australia for their services to cricket over a long time.
- Hearty congratulations to all of the men's and women's Grade teams who won premierships this season. Lindisfarne and North Hobart in the Cricket Tasmania Premier League Westbury and South Launceston in Cricket North and Burnie and Latrobe in Cricket North-West. South Hobart/Sandy Bay as the Kookaburra Cup Premiers for Men and Kingborough for Women.

Sadly over the last 12 months we have lost some good friends of Tasmanian cricket and we pay our respects to them, including Wendy Gillies the wife of our former President Glen and Tom Rocher, former Tasmanian cricketer.

A special thanks to:

- my fellow Directors on the Cricket Tasmania Board and particularly Deputy Chairman Chris Mitchell;
- our management team ably led by Chief Executive Nick
- the State Government for its ongoing support and particularly its increased sponsorship of women's cricket;
- our Hurricanes Big Bash principal partner Tassal, WBBL principal partner MyState, major partner for WBBL and BBL Cadbury and all our other corporate supporters;
- the Clarence, Hobart, Launceston and Burnie Councils;
- all our Members, supporters and followers throughout Australia and the rest of the world.

Season 2019-20 promises to be an exciting one for Tasmanian cricket.

I look forward to seeing you there.

From the Chief Executive

It's very pleasing to reflect on the past 12 months and how much progress we have made.

When I commenced at Cricket Tasmania, I had a very clear picture of our first three years' priorities; professionalise, commercialise and perform.

Get the right people in the right roles, realise the commercial potential of our teams and our venue and deliver outstanding results whether that be on the field or in the community.

Season 2018-19 has seen the organisation reap the benefits of this prioritisation.

On the field we saw Tasmanian teams competing in finals. In the Men's Program our Tigers performed magnificently, making their first finals appearance since 2011-12, falling short against Victoria. While in the BBL, the Hurricanes won the minor premiership with a record number wins in a BBL season. It was disappointing to lose in the semi final against the Stars, but I am pleased to see that BBL HQ has amended the finals structure to properly reward the team that finishes top with a double chance.

We are particularly proud of the progress of the Women's Program. In advance of last season we made significant changes to the structure of the program committing more than \$500,000 of additional investment to the program, hiring rising star Salliann Briggs as our Head Coach and Dan Marsh as her assistant. In addition, our female players committed to moving to Tasmania full time, rather than continuing the fly in fly out model that had been a feature of the Women's Program since inception.

Our WBBL campaign was cruelled by the key injury of Hayley Matthews and a number of painfully close losses, masking the progress we had made in the women's game.

Fortunately, our WNCL campaign was more reflective of the progress we had made. With an historical 6-47 win/loss record in the tournament, the women responded with a 4-2 season, narrowly missing their first ever Final.

The foundations are in place, and with Australian players Nicola Carey, Belinda Vakarewa and Tayla Vlaeminck joining our program for the 2019-20 season, I expect the program to continue to evolve.

All this progress has been capably lead by Drew Ginn, who leaves us to take on the role of Executive General Manager of High Performance at Cricket Australia. It's a big loss for Cricket Tasmania but a massive gain for Australian cricket as well as a vote of confidence for the direction of our High Performance program.

In the Community Cricket domain we are continuing to make progress towards our aspiration of making cricket Tasmania's favourite sport.

We had some good wins in the growth of women and girls cricket, and have grown our community cricket infrastructure spend from \$61,200 in 2018 to \$216,000 in 2019. This means better facilities for our participants across the state, and our goal is to maintain and ultimately increase this investment well into the future.

We have some work to do around Cricket Blast, our entry level program for children. It's a highly engaging format of the game that gives kids a great introduction to the game we love. However, we need to continue to support local clubs in rolling this program out across the state and this will be a focus over the upcoming season.

I'm really pleased with the work that Eamonn Doherty and David Fry have lead in the competition administrations space.

Cricket Tasmania has taken responsibility of managing the SCA and TCL cricket competitions, providing our overstretched volunteers with valuable administrative support which has allowed the Boards of these competitions to concentrate on strategic issues rather than the daily grind of administration.

We've made significant progress in continuing to grow the game in the north of the state.

The introduction of the Greater Northern Raiders into the CTPL has been well received by the community and their performances have been heartening for a team in the first year of its existence. I'm pleased to see that the Raiders' committee will be expanding their program and adding a women's team to the CTPL competition.

Coupled with the growth of Premier Cricket in the region has been the expansion of Big Bash content into the North and North West.

Our WBBL weekend in Burnie was warmly received by locals with 2,000 people watching the Hurricanes take on the Melbourne Stars, while we added a second BBL game to our Launceston fixtures, exposing the game to 26,000 spectators and a further 840,000 viewers at home.

It's important to provide a visible pathway for boys and girls across the state to inspire our next generation of Tigers and Hurricanes, ensuring that our sport is vibrant well into the future.

Commercially, the Hurricanes have taken their position as Tasmania's Team, the flagship of all that is great about this state.

Lead by our Principal Partner Tassal, it was terrific to see MyState step up as our Principal Partner for the WBBL team and welcome global brand Cadbury as our Major Partner.

These partners are supported by an exclusive group of valued sponsors that have seen our commercial revenue double in the past 12 months.

Like all businesses, our sponsors have limited budgets, and most importantly, have a choice where they spend their money. Consequently, we do not take their support for granted and thank each and every one of them for their continued support of Tasmanian cricket.

Blundstone Arena continues to grow in status as one of cricket's great venues. With other cricket grounds facing the challenges of drop in pitches, or the threat of drop in pitches, Cricket Tasmania is fortunate to have a traditional cricket wicket, curated by one of Australia's best curators in Marcus Pamplin.

The venue has continued to expand its hosted content, we now host four North Melbourne games and around 25 days of elite level cricket.

We will continue to look for opportunities to host more content, particularly in the off season, to grow the number sports our members can enjoy as part of their Cricket Tasmania membership.

We are all very proud of the financial result we have delivered this year. It is the culmination of a lot of tough decisions, careful cost management and energetic revenue growth over the past few years. The result is a cricket association that is financially secure with a commitment to debt reduction and the capability to invest further in growing the game.

In order to reach this position, we have often had to make the decisions that are not necessarily warmly received by all stakeholders. However, I can assure members that all decisions are made with the best interests of Tasmanian cricket at their core.

None of this could be achieved without the support of the Board or the dedication of the staff at Cricket Tasmania. I'd like to thank each and every one of them for their commitment to our strategy and desire to make our organisation a success.

In particular, I would like to thank my Executive Team; Scott Barnes, Taryn Brighten, Drew Ginn, Stephen McMullen, Samantha Ravani, Phil Rigby, Zoe Rohrer and Ben Smith.

Our focus in 2019-20 will be execution. Execution is the single biggest market differentiator, and it is the key to Cricket Tasmania moving from being a good organisation to a great organisation.

We're confident we have built the foundation for success and look forward to next season with great anticipation.

2018-19 Player Departures

Veronica Pyke

Cricket Tasmania wishes the very best to outgoing leftarm quick bowler, Veronica Pyke.

'Ronnie' was a foundation player for the State, captaining the first ever Tasmanian Women's team and departs the Tigers having featured in 53 WNCL matches.

Following the end of the rebel WBBL|04 season, Pyke had featured in 54 matches for the Hobart Hurricanes across all four seasons of the WBBL taking 41 wickets.

Pyke's best season to date in purple came in the competition's inaugural season, WBBL|01, when she claimed 22 wickets.

Hamish Kingston

Cricket Tasmania extends its best wishes to outgoing right-arm bowling allrounder, Hamish Kingston.

Heralding from South Hobart-Sandy Bay, Kingston had been a contracted player at Cricket Tasmania since 2014, making 11 First-Class appearances, featuring in the One-Day Domestic Cup on 13 occasions and in the KFC Big Bash League five times for the Adelaide Strikers and Hobart Hurricanes.

Kingston was at his most prolific at the First-Class level, where from October 2014 to the final game of the 2018-19 Sheffield Shield Season he claimed 32 wickets with best bowling match figures of 7/113.

Cricket Tasmania Awards

Tasmanian Tigers captain, Matthew Wade, has capped a remarkable 2018-19 Summer of cricket by claiming the Ricky Ponting Medal at the Cricket Tasmania Awards at Wrest Point in Hobart.

Awarded to the finest Tigers player across the JLT One-Day Cup and JLT Sheffield Shield seasons - through match-by-match voting by Head Coach, Adam Griffith, Senior Assistant Coach. Jeff Vaughan and the 12 players named in each fixture, Wade (247 votes) won from Jackson Bird (189), Alex Doolan (152) and Ben McDermott (124).

31-year-old Wade tallied 1,021 runs at an average of 60.05 across the Sheffield Shield season - reaching eight halfcenturies and two near match-winning centuries.

At the top of the order against the white ball for Tasmania, Wade accumulated 187 runs in seven matches at an average of 26.7.

He also completed 20 dismissals whilst playing as the Tigers wicketkeeper for the majority of the summer.

The stellar form Wade displayed against the red ball also won him the David Boon Medal as Tasmania's Sheffield Shield Player of the Year with 208 votes ahead of Jackson Bird (156), Alex Doolan (135) and Riley Meredith (82 votes).

The Jack Simmons Medal for Tasmania's best player in the JLT One-Day Cup was won by Gurinder Sandhu, who finished as the competition's joint leading wicket-taker in his first season in Tigers colours - including taking a hattrick in a remarkable seven-wicket haul in the tournament Final against Victoria.

Sandhu's 18 wickets came in six matches having begun the tournament outside the Tigers' initial squad before James Faulkner was ruled out through injury.

In a record-breaking season for Tasmania's Women's team following their re-branding to Tigers from Roar, Corinne Hall took home the Tigers' WNCL Player of the Year award with 101 votes ahead of veteran left-arm quick, Veronica Pyke (84), 'keeper-bat Georgia Redmayne (80) and allrounder Meg Phillips (66).

Hall was a pivotal player in the Tigers' run, falling just short of a first-ever WNCL Final with three half centuries in five matches, tallying 241 runs at an average of 60.25.

The Jamie Cox Young Male Player of the Year was awarded to fast bowler, Riley Meredith, who continues to emerge as a key player across red and white ball formats

The 22-year-old quick also enjoyed a breakout season in the KFC Big Bash League for the Hobart Hurricanes.

14-year-old boom leg-spinning WNCL debutant, Amy Smith, was a clear choice for the Female Young Player of the Year award and will be a talent to watch for Tasmanian cricket fans for many years to come.

Tigers Women's rookie, Emma Manix-Geeves, won the National Indigenous Cricket Championships Female Player of the Year for her performance in the tournament for Victoria and Josh Barry won the male equivalent award as the Tigers won all the way to the Semi-Final stage in Alice Springs.

The Media Awards were taken home by Chris Rowbottom from ABC News (Best Men's Story), for his story on the 40th anniversary reunion on Tasmania's 1978/79 Gillette Cup winning team, the first-ever domestic cricket title for

The Best Female Story was written by Adam Smith from The Mercury, for his take on Sasha Moloney's rapid rise to the captaincy role of our Hobart Hurricanes WBBL team.

The award for Best Photo was also taken home by The Mercury and their Head of Vision, Richard Jupe, for his sensational shot of two stars from our Hobart Hurricanes BBL team, D'Arcy Short and Matthew Wade. The photo now adorns the lift in the Cricket Tasmania offices at Blundstone Arena

Cricket Tasmania congratulates all of this year's award winners on their outstanding achievements throughout the 2018-19 Summer of Cricket.

Venue Operations Blundstone Arena

From General Manager Stephen McMullen

Another very busy year for the Venue & Event Operations team. On field, there was 33 sporting events which saw an attendance of nearly 125,000 coming to our facility. Off field we held over 400 functions and events with a gathering of over 16,000. Add to this the training workloads, room sets, internal meetings as well as the tenancy of nearly 200 staff and players from ten separate entities and we are quickly become the venue that never rests.

There have been some challenges throughout the year with access to facilities front of mind. Our curating team have had their workload lifted with the installation of the Marquee to allow access to turf for the players from late May. This is significant as previously September has been seen as an early period to have the grass in

We have worked closely with the Clarence City Council to consolidate the four permits which we have operated under into the one permit. Including in this we have had an extension to light operating times to cater for broadcast events. This area continues to be a challenging environment as we are operating in a residential area, which we are very mindful of. This means we need to ensure the balance between local amenity and event day experiences is sound.

During the year we leased out the operations of the Hurricanes Café to Ken & Fiona Quan. The decision to do this was taken after we found our team was too stretched trying to deliver in this area, as well as match day and function centre. The transition to the Quan's has been very good and the café continues to be very popular for staff and patrons from the area.

For the current financial year the function centre drove enormous traffic through the venue, managing over 400 events for FY18-19. The small and dedicated catering team, provided over 2.2 tonnes of red meat (mostly beef), and nearly the same in chicken, salmon and fish (2.1 tonnes) to over 16,000 people who enjoyed the use of our function facilities.

For 2019-20 we have some key focuses to work on including but not limited to;

- Continued development of Members match day experience
- Century Room Works reconfiguration
- Develop Community Integration Program
- Investigate sustainability measure for facility
- Resurface Church Street Wicket table
- Set Members Pavilion Masterplan

Finally, and in my view most importantly, I'd like to acknowledge the hard work of the venue and event operations team over the last year. Our staff work very long hours which quite often go unnoticed, however they deliver a fantastic experience for all of our stakeholders. In particular I'd like to acknowledge my four area supervisors and their dedicated teams;

Internationals

This season Blundstone Arena hosted South Africa in the deciding One Day International.

The pitch provided a little bit early with the new ball and then the batsman took advantage of the ball coming on nicely onto the bat. David Miller 139, Faf du Plessis 125 and Shaun Marsh 106 starred and Dale Steyn 3-45 and Kagiso Rabada 3-40 bowled the visitors to victory.

Sheffield Shield

The pitches for the Sheffield Shield were consistent throughout the season. The pace and bounce provided a contest between and ball, which was highlighted with good batting and bowling performances. As a result, the pitches and outfield were given excellent feedback throughout the year, which gave us the number 1 ranking for the year for both pitches and outfield.

BBL

The BBL and WBBL schedule was a lot longer, which meant the season ended mid-February. We saw great results for the women and for the men. Oliver Beswick did an outstanding job in preparing the WBBL pitches. The players enjoyed great conditions which helped the men achieve a top of the ladder finish.

Blundstone Arena received the number 1 ranking for the pitch and the outfield across all venues in the BBL competition. This was a terrific reward for the curating team during the Christmas, New Year period when there is a lot of weekend work and late nights.

Pre-Season Marquee over Practice Turf Pitches

A Marquee over the winter months was installed in June and removed in September. This provided invaluable practice for our state women's and men's team to hone

their techniques. The hardest part of preparing the pitches is getting the right moisture content and the grass coverage strong and healthy prior to the marquee installation. Once the marquee is erected, moisture is trapped in the profile and only light watering is needed to keep the grass healthy. The staff did an outstanding job balancing preparation of cricket pitches and preparing the outfield for AFL during the winter months.

In the future we will be looking at installing a heating system under the pitches to aid the drying process. This will involve reconstructing the whole profile and running hydronic cabling down each pitch.

Practice Pitches

The practice pitches again had a very heavy schedule this summer, with both the women's and men's programs, the sessions added up to in excess of 200 sessions. Again, the staff did a great job to provide excellent pitches for the demands of the cricket season.

AFL

The ground again is holding up well to the rigours of the football season, with very high use for training and early morning games on match days. North Melbourne and other teams have all given excellent feedback on the oval. With an extra North Melbourne game added to the roster for 2019 the program is packed again.

Staff

Again, the curating staff have done a tremendous job in continuing to provide world class surfaces for the different codes. It is extremely rewarding to see such a young group of men to have so much pride in what they prepare.

Over the cricket season Angus Vear from Victoria joined the curating staff as an apprentice. During the cricket season, Blair Dayton left the curating team to return to Risdon prison as a warden.

Blundstone Arena Function Centre has been very busy for FY 2018-19, delivering great service to our guests new and old.

The centre has been fortunate to have hosted over 230 external events with varying menu selections, and numerous conference configurations. To be added to the above is 5 Shield matches, 6 BBL matches, 5 WBBL matches, one ODI, 3 AFL matches and 2 weddings!

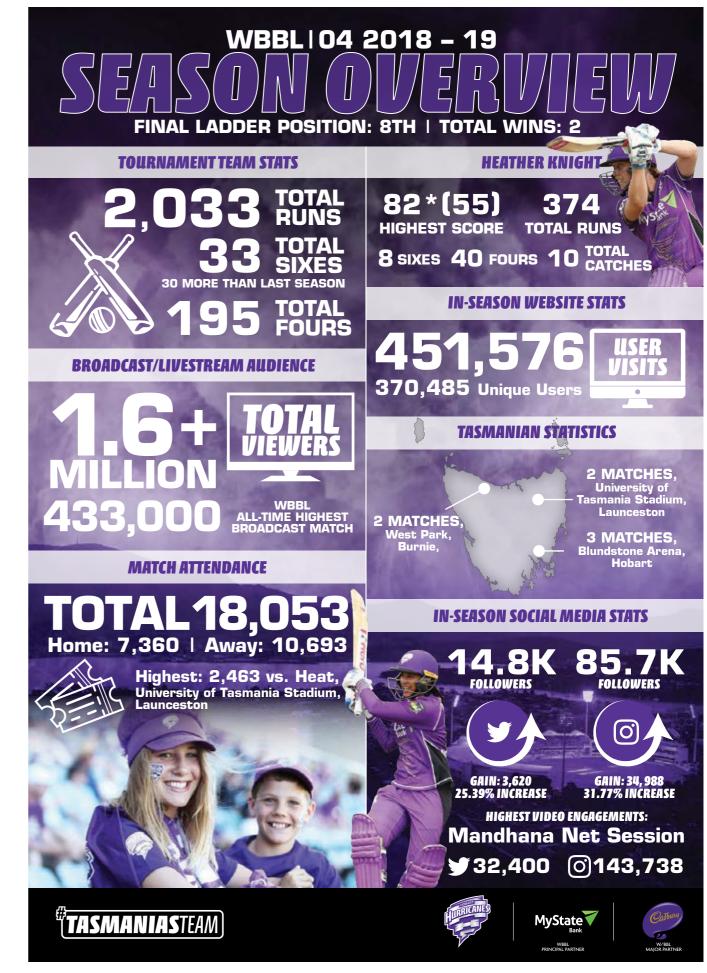

We found the calendar to be very full all year round! Functions from 10-500 guests found their way through our doors, to be ably catered for by our team on a regular basis, averaging 8 events every week!

Of particular note was the Liberal Party State conference – a 3 day venue wide event, with an opening cocktail party, Gala dinner, multiple course lunches and conference service. This was achieved seamlessly with multiple stakeholders and concurrent events, resulting in excellent feedback from a very happy client! This particular event allowed our team to showcase the range and flexibility our Venue can provide for our everincreasing clientele.

I'm so proud to work with head chef Matthew Harrison, sous chef Shayne Lewis and their talented team who have excelled in the kitchens. Our front of house team led by Leah Gregory Lamb and Tim Bessell have been exemplary, and for their hard work I am very grateful.

Our sales manager Tristan Hall has been exceptional, without his hard and diligent work none of these achievements would have been possible.

In summary, Blundstone Arena Function Centre has a dedicated team, working together with our clients and stakeholders to provide excellent product and service, regardless of their celebration.

Tasmanian Cricket Museum and Blundstone Arena Tours

The Tasmanian Cricket
Museum offers a
special experience for
cricket enthusiasts with
innovative displays, video
and state-of-the-art
interactive technology.

Tasmania's rich cricket heritage dating back to the very early years of settlement is illustrated through displays and video. The most recent additions to the Museum are the Ricky Ponting Corner - unveiled by Ricky himself, prior to the first Twenty20 International match under lights at Blundstone Arena on 21 February 2010. As well as the display of all of cricketers to represent Tasmania or the Hobart Hurricanes since 1977.

The Max Atwell Memorial Library was established after the Cricket Tasmania Board of Directors agreed to purchase the cricket library assembled and owned by the late Max Atwell.

The collection of approximately 3,000 books is regarded as one of the finest private libraries in Australia.

The library has continued to grow through generous donations by Cricket Tasmania Members and cricket followers around the State.

The library, originally in the Cricket Tasmania Boardroom, was moved to its own room adjacent to the Museum on the first floor of the Members Pavilion, on the completion of the redevelopment of Blundstone Arena.

The books are housed in bookcases generously donated to Cricket Tasmania by the Melick family.

Cricket Tasmania Members and anyone wishing to carry out research are encouraged to use the excellent facilities now available

The Tasmanian Cricket Museum and Library is located on the first floor of the Members Pavilion. Non match day access is through Reception at the Western Gate (beach end). Match day times will vary centred around intervals.

Cricket Tasmania & Hobart Hurricanes

In the 2018-19 season, there were a total of 1,315 Cricket Tasmania Members and 352 Associate Card holders and the Hobart Hurricanes membership base consisted of 3.516 Members.

The Season 2018-19 drawcard was the Gillette One-Day International played on Sunday 11 November at Blundstone Arena v South Africa. Despite an excellent century to Shaun Marsh, Australia were defeated by 40 runs in front of a crowd of 5,321.

The Tasmanian Tigers Men and Women's teams experienced a season of highs and lows and finished 4th and 3rd respectively in the Sheffield Shield and WNCL 2018-19. This is a sign the Tigers are competitive with the nation's best First-Class cricketers and will be in contention for next season's titles.

The Hobart Hurricanes enjoyed their best season to date, finishing as the minor premiers for BBL 08 on top of the ladder with 10 wins from their 14 games. A feature of the season was the Christmas Eve match against the Melbourne Stars and a home Semi Final.

Cricket Tasmania Members also had access to the three AFL fixtures played at Blundstone Arena. These fixtures were well attended by members who took advantage of having access to premium seating. Platinum Cricket Tasmania Members were also able to redeem one ticket free as part of their membership package.

This season Blundstone Arena also hosted a Tour Match between the Cricket Australia's XI and Sri Lanka as a precursor to the Australian and Sri Lanka Test series between 17 -19 January. A crowd of 1,958 watched Kurtis Patterson put on a batting masterclass with two unbeaten centuries of 157* and 102* and Tigers batsman Jake Doran scoring one of his own.

Member retention and engagement in the State's North and North-West will be critical to growing the membership base, with crowds of 12,455 and 13,836 cheering on Tasmania's Team at University of Tasmania Stadium. There was a growth of 286% in North and North-West members of the Hurricanes from BBL|07 to BBL|08 with the two game UTAS General Admission membership being a core driver of this surge.

Hobart Hurricanes total member numbers grew to 3,516, a rise of 4.2%. This growth is attributed to the execution of our core strategic organisation goals and building the story of Tasmania's Team across the state. Six different membership types were offered with Century Club being our most premium option, followed by Premium and Standard Reserved as well as General Admission and a Supporter (non-ticketed) memberships.

With a target of 5,000 Hurricanes members next season, engaging with all parts of the State will be crucial to maintain and increase growth.

The 2019-20 season looks to be an exciting with Cricket Tasmania Members able to enjoy access to all domestic cricket state-wide, including 11 BBL and WBBL matches, five Sheffield Shield matches, two domestic One-Day Cup matches, three WNCL fixtures and Toyota Futures League (Tasmanian Tigers 2nd XI) matches as well as a Cricket Australia XI versus England Lions Tour Match.

We look forward to an exciting summer ahead with all

Hurricanes Foundation

Cricket Tasmania and the Hobart Hurricanes joined forces with the Australian Sports Foundation (ASF) to directly support our local community through the Hurricanes Foundation.

Combining the reach and awareness of our Hurricanes and Cricket Tasmania brands, the Hurricanes Foundation was created to positively impact our wider cricket-loving population.

In the short time the Foundation has been in operation, it has helped many individuals, charities and community groups. In the past year we:

- Teamed up with our BBL Principal Partner, Tassal Salmon, and Vinnies to raise over \$50,000 for the Tasmanian Bushfire Appeal.
- Raised over \$10,000 through fundraising at match with popcorn sales, the annual Hurricanes Foundation Day and Fundraising Initiatives with our Major Partner Cadbury.
- Hosted over 100 people at the Hurricanes Foundation Day as they came and enjoyed the famous classic catch pad, face painting and met some of our players - raising over \$2,000 to assist with our community activities.

- Donated team merchandise to over 50 community initiatives and assisted in raising over \$20,000.
- Provided 13 schools all over the state with the Hurricanes Breakfast Clubs proudly supported by Tassal.
- Supported the Tassal Indigenous XI who hosted our Indigenous Tournament for the first time in Latrobe versus the Sydney Thunder.
- Ran the Northern Rookie Program for a second year, giving promising young cricketers from Northern Tasmania, Sophie Parkin and Jake Williams, invaluable insight into what goes into the match preparation at training and on gameday for our BBL & WBBL athletes at the elite level.

Tasmania v Victoria

Riverway Stadium, Townsville | 19 September 2018 Toss TAS | POM Matthew Wade

TAS 6/321 (Wade 117, McDermott 56; Coleman 2/47, Sutherland 2/51) def. VIC 256 (Harris 69, Maddinson 32; Rose 4/42, Rogers 4/53).

A blistering century from Matthew Wade and some tight partnership bowling was the catalyst for a healthy 65-run bonus point Tasmanian Tigers win in their JLT One-Day Cup opener in Townsville.

After winning the toss and batting on a flat track at Riverway Stadium, it was aggressive openers Wade and Ben McDermott who were handed first opportunity to let loose and each didn't disappoint.

Wade - in a key tournament for pushing his 2019 ICC World Cup credentials, rocketed to a half-century off just 24 balls and never took a backward step on his way to 117 from

At the other end, McDermott made his own sound start to the season with a cleverly-

Each Tigers middle-order batsman got themselves a decent start and continued ticking the scoreboard over to set Victoria a lofty 322 for victory.

Victoria's batting line-up got starts but only Marcus Harris made a significant contribution as they lost wickets at regular intervals.

Wade was voted Player of the Match for his sparkling century which included 11 fours and

Queensland v Tasmania

Riverway Stadium, Townsville | 22 September 2018 Toss QLD | POM Ben McDermott

QLD 6/316 (Lynn 70, Hemphrey 58; Meredith 3/62, Summers 1/54) lost to TAS 6/317 (49.0) (McDermott 117, Silk 85; Steketee 4/84, Prestwidge 2/62).

A maiden One-Day Domestic hundred for Ben McDermott delivered the Tigers a Townsville sweep to begin their 2018 JLT Cup.

His fine knock of 117 (125), Jordan Silk's 85 (90) plus some great late hitting from Simon Milenko 50* (29) and Clive Rose 25* (18) got Adam Griffith's men home with six balls remaining.

Young quick Riley Meredith 3/62 (10) was our best bowler in a high scoring match.

This was the first time in ODD cricket history that Tasmania had chased down a score of 300+, at the 14th time of asking.

Matthew Wade looked in ominous touch early, reaching and clearing the rope at will before he holed out for 22 from 17 deliveries and Doran departed shortly after to have the Tigers on the ropes - until McDermott and Silk steadied the ship.

A middle order collapse followed as it looked as the scoreboard pressure would get the better of the Tigers.

Enter, Milenko and Rose. The pair batted beautifully throughout their 67 (38) stand which delivered Milenko his 50 simultaneously with the team's winning runs when it bobbled over the cover rope.

New South Wales v Tasmania

NSW 239 (Edwards 68, Patterson 37; Sandhu 4/42 Rose 2/35) def. TAS 151 (Rose 35, McDermott 28; Abbott 5/43, Sams 2/27).

An off night with the willow saw the Tigers succumb to their first loss of the 2018 JLT Cup at North Sydney Oval against New South Wales

After bowling and fielding excellently to restrict the hosts to just 239 on the small ground, the Tigers stumbled with the bat to hand the previously winless Blues a bonus point win.

Gurinder Sandhu (4/42 from 8.3) took four wickets against his former side & Clive Rose (2/35), Jackson Bird (2/43) and Riley Meredith (2/45) each snagged a pair of wickets.

With the bat, Rose top scored with 35 - in an inningsbest partnership of 53 with Bird (22), Ben McDermott made 28 at the top of the order.

Tasmania's reply couldn't have got off to a worse start, with Matthew Wade trapped in front by a full, in-swinging Sean Abbott delivery on the first ball of the 50-over allotment.

The Tigers fell to 7-98 and a double bonus point loss to the Blues appeared a reality until the Rose and Bird stand may have begun to worry the hosts, if only for a short period.

Bankstown Oval, Sydney 27 September 2018

Toss SA | POM Ben McDermott

SA 7/236 (Weatherald 79, Lehmann 58*; Meredith 2/30, Sandhu 2/44) lost to TAS 7/238 (49.0) (McDermott 102*, Silk 71).

A second century of the JLT Cup for Ben McDermott - along with a brilliant stand of 123 between himself and Jordan Silk led Tasmania to a grinding three-wicket win over South Australia with an over to spare at Bankstown Oval.

Set 237 for victory following yet another stellar effort with ball in hand and in the field, the Tigers recovered from the early loss of Wade and Webster to pass the Redbacks' total via McDermott's 102 from 120 balls.

Young quick Riley Meredith was again the pick of the Tigers bowlers, Gurinder Sandhu took multiple wickets again and there was one each for Jackson Bird, Tom Rogers and Beau Webster.

With the willow, the Tigers fell behind the eight ball early through the first over dismissal of Wade and Webster who followed shortly after.

It then became a recovery mission for McDermott and Silk who ground their way through some impressive Redbacks bowling before setting their sights on getting the Tigers over the line.

MATCH 5

Hurstville Oval, Sydney | 1 October 2018

Toss WA | POM Marcus Stoinis

TAS 8/290 (Bailey 79, McDermott 76; Qadir 2/40, Behrendorff 2/60) lost to WA 5/292 (40.3) (Stoinis 93*, Short 63; Bird 2/58, Sandhu 2/83).

Western Australia made short work of a competitive total set by Tasmania to secure full points in their JLT Cup clash at Hurstville.

Skipper George Bailey and opener, Ben McDermott, each scored in the 70s to propel the Tigers to 8/290 before they looked in the game with some early wickets to Jackson Bird and Gurinder Sandhu.

Marcus Stoinis entered Hurstville Oval and immediately set about taking the game away from the Tasmanians, finished with 93* in partnership with D'Arcy Short (63) to wrestle any momentum away from Bailey's men and secure a win on the way to finishing the minor rounds top of the table.

The good news for Tasmanian fans is they too advanced to the Semi Finals to face Chris Lynn's Queensland.

Drummoyne Oval, Sydney | 6 October 2018

Toss TAS | POM Gurinder Sandhu

TAS 4/180 (37.2) (Bailey 70*, Milenko 57*; Feldman 2/20, Stanlake 2/38) def. QLD 177 (Steketee 30, Hemphrey 28; Sandhu 2/14, Rose 2/14).

Having bowled the Bulls out for 177 inside 45 overs, the Tigers' pursuit was in trouble at 4-52 inside an hour, but an unbroken fifth-wicket stand of 128 between skipper George Bailey (70no) and Simon Milenko (57no) steered Tasmania to safety and sealed the win with 78 balls to spare.

Queensland's hopes of posting a competitive score were dashed when Tigers debutant Gabe Bell removed hardhitting opener Max Bryant with his 10th ball.

Bell had his second when Sam Heazlett was caught behind but the big wicket was Chris Lynn. His dismissal for 15 sucked the wind out of the Bulls innings and from there the Tigers suffocated their opponents.

All five of Tasmania's specialist bowlers collected two wickets, with Gurinder Sandhu's 2-14 from nine overs the pick of the bunch.

A score of 177 appeared sub-par, but on a wicket that was showing inconsistent bounce, the Bulls quicks made it look mountainous early on.

But with the experienced head of Bailey and talented allrounder Milenko at the crease, the Tigers were in safe hands.

A soaring six from Bailey's blade brought scores level before a lovely cover drive off Swepson propelled the Tigers into the final.

Junction Oval, Melbourne | 10 October 2018

Toss VIC | POM Peter Handscomb

TAS 164 (40.4) (Doolan 46, McDermott 34; Fekete 2/20, Coleman 2/27) lost to VIC 274 (White 88, Handscomb 49; Sandhu 7/56, Milenko 1/32).

A Gurinder Sandhu hattrick was as good as it got for Tasmania in the 2018 JLT Cup Final, going down to Victoria by 110 runs.

After losing the toss and batting, the Tigers struggled to breakthrough initially, but Victoria never got away - and when Sandhu's final over of their innings yielded an incredible four wickets, they were all out for 274.

In reply, the Tigers innings failed to find some momentum to get ahead of the game.

Alex Doolan (46 from 73), anchored the Tasmanian innings but the vital partnership required when chasing a competitive score never came.

Gurinder Sandhu became the first Tasmanian bowler to take a hattrick in One-Day Domestic cricket history and his final figures of 7/56 were the fourth best in tournament history.

In a further personal bow post-match, Ben McDermott's great few weeks got even better when he was named as JLT Cup Player of the Tournament.

Western Australia v Tasmania

The WACA | 25-28 October 2018 Toss TAS | POM Shaun Marsh

WA 243 (S. Marsh 80, Cartwright 35; Bell 3/45, Milenko 2/28) & 3/195 (S. Marsh 98, Cartwright 84*; Webster 1/15, Bird 1/19) def. TAS 226 (Doolan 76, Wade 66*; Green 6/30, Moody 3/39) & 208 (Silk 56, Wade 50; Green 3/12, Richardson 2/26) by seven wickets.

Tasmania struggled to capitalise on a stunning fightback in the second half of Day 2 as it could only muster a one or two decent partnerships with their second innings.

Jordan Silk's 56 and a fourth consecutive Matthew Wade 50 to start the Shield season did the bulk of the damage as the Tigers limped to 208 all out.

This set the Warriors a target of 191 for victory and given WA were 9/206 at one point of their first innings, this one felt still very much in the balance.

When Gabe Bell and Jackson Bird immediately removed Wells and Inglis to have the hosts 2/5, some Tigers fans would've been thinking of the stunning effort which saw QLD skittled for just 93 last week.

However Marsh (98) and Cartwright (84*) steadied the slide to get into the break without further loss and then swung the game in their favour after the interval.

This match was a see-sawing battle for three innings and the best part of three days, but the 170 partnership between Marsh and Cartwright broke it open.

Toss NSW | POM Jason Sangha

NSW 9d/442 (Sangha 117, J. Edwards 101; Bell 3/75, Meredith 2/64) & 1d/22 drew with TAS 4d/115 (Doolan 53, Silk 39; Copeland 4/27) & 7/264 (Doolan 90, Webster 80*; Lyon 4/88, Abbott 2/51).

Sporting declarations from George Bailey and then Peter Nevill produced one of the great days of Shield cricket for the summer.

Set 350 for win after declaring before play & NSW calling their second innings closed at 1/22, the Tigers looked on track for a great win before a later stumble.

Via Alex Doolan (90), Beau Webster (80* from 211 deliveries) and then Matthew Wade, the Tigers were managing the required run rate and had a set partnership.

But when Wade fell LBW, Paine and Rogers soon followed, leaving the Tigers 100 short of the target with 11 overs to bat through.

Webster's superb anchoring role throughout the majority of the day ensured the visitors had a set batsman at the crease throughout the nervous period, which played a key role in getting the Tigers to end of the game with no further loss.

A superb 137 from Matthew Wade lifted the Tigers into a winnable position at stumps on Day 3 versus Victoria at Blundstone Arena, having been rolled for just 81 in their first innings.

His 13th First-Class ton helped set the visitors a target of 276 to win on the final day's play on a pitch which was beginning to deteriorate.

The Tigers took the wickets of Travis Dean & Peter Handscomb in the day's first hour before a steadying partnership between Marcus Harris and Cameron White began to swing the game.

Though our Tigers gave themselves a real chance when they restricted Victoria to 4/145 after dismissing Harris & White within seven deliveries to have young duo Matt Short and Seb Gotch at the crease.

This pair got through the tough going initially before getting themselves bedded at the crease to take the game away from the Tigers and earn a deserved win following their first day dominance.

In-form quick Jackson Bird helped bowl Tasmania to a win over South Australia late on the final day in Hobart.

Rain and a stubborn Callum Ferguson century threatened to deny the Tigers but Bird struck twice in the shadows of stumps.

Set a mammoth 403 for victory, the Redbacks were eventually bowled out for 213.

Players were forced from the field for almost two hours in the final session of match with SA teetering at 7-192.

Once they returned, Bird had Nick Winter (26) edging before trapping Ferguson plumb in front for 111.

Paceman Gabe Bell claimed the final wicket to complete a 189-run win and give him seven scalps for the match.

A century to Jordan Silk and three first innings wickets to debutant, Alex Pyecroft - including a caught and bowled with just his fifth delivery, were the highlights of the opening three days.

Queensland posted a record run chase by any team at Blundstone Arena to defeat Tasmania by four wickets in Round 6 of the JLT Sheffield Shield.

The Bulls were 8/86 at stumps on Day 1 before conceding a 413-run lead to the Tigers on second innings, but swung the game back dramatically in the remaining day and a half

Riley Meredith was the pick of the Tigers bowlers in the Bulls' second dig, snaring 3/70 from 27 overs.

The Tigers had their chances in the final session to give themselves a greater shot at maximum points, but some catching opportunities were grassed once the new ball was taken.

George Bailey's 24th First-Class century inspired the Tigers to what look liked a match-winning position midway through Day 3, after a maiden five-wicket haul to Alex Pyecroft made short work of the Bulls in the first innings.

Debutant Charlie Wakim's gigantic ton laid the foundation and then spearhead Jackson Bird's fifth 10-wicket match in his First-Class career marched the Tigers to an outright win in the JLT Sheffield Shield at the Adelaide Oval.

The Redbacks lost 6/3 in 21 deliveries just before the tea break to set the Tigers 110 from 45 overs for victory.

Tom Rogers sparked the collapse when he yorked Weatherald and then Bird took over, finishing with match figures of 11/112.

The Tigers top five each contributed in the chase as they cruised to the total four wickets down, Matthew Wade fell when scores were level for 15 after he scored 77 in the first innings batting up the order at number four.

Aside from Bird's haul which rightly grabbed the headlines on the final day, it was first-gamer, 27-year-old Charlie Wakim who received the bulk of the plaudits through the first three days.

His magnificent 160 (from 333 deliveries) lifted the Tigers to a mammoth 467 in the searing Adelaide heat.

A defiant display with the willow on Day 4 earned Tasmania a share of the spoils with the JLT Sheffield Shield ladder leaders Victoria at the Junction Oval.

Set a mammoth 476 runs for victory at 4.5 runs an over through 107 overs, the Tigers began Day 4 in superb fashion with Alex Doolan and Jordan Silk carrying their bat through the entire first session.

When Silk fell on the second ball after lunch, there was a partnership of 48 between veteran Doolan and second-gamer Charlie Wakim before the Tigers went from 1/160 to 5/189 in 28 overs to give the hosts some hope of an outright victory late in the day.

Ben McDermott (5* from 98 deliveries) and rookie allrounder, Jarrod Freeman 4* (27) successfully saw off enough deliveries to see the match called seven overs early by skippers Travis Dean and Matthew Wade.

The Tasmanian Tigers very nearly pulled off an incredible run chase in their JLT Sheffield Shield Round 9 clash versus Western Australia at Blundstone Arena, only to fall 52 runs short of the mammoth 454 target.

With each side's season on the line. WA controlled the game effectively for three and a half days before the Tigers roared back into contention via an incredible partnership of 183 from 195 balls between Matthew Wade and Ben McDermott.

Alas, as is so often the case with a big run chase - a side may get to the point where they seem on track for a remarkable victory, only for a couple of quick wickets to highlight just how far they still were from home.

When Wade and McDermott fell, the best efforts from Tim Paine (47) and Jackson Bird and Alex Pyecroft couldn't rally the Tigers over the line.

Jackson Bird notching his 16th five-wicket haul in First-Class cricket was the Tigers' highlight with the ball, debutant Sean Willis claimed a diving catch in gully with his first touch at the top level.

TAS 255 (Doolan 72, McDermott 53; Copeland 6/88, Conway 2/44) & 120 (Wade 64, Kingston 14; Abbott 7/45, Copeland 2/31) lost to NSW 375 (Larkin 67, Hughes 61; Bird 3/85, Milenko 2/39) & 5d/149 (Henriques 49, Larkin 33; Bell 2/22, Meredith 1/26) by 149 runs.

The Tasmanian Tigers finished the JLT Sheffield Shield season in fifth place after falling to a 149-run defeat v New South Wales at Blundstone Arena.

The Blues, chasing a win for their spot in the Shield Final, routed the Tigers on the morning of Day 4.

With rain expected on the final afternoon of the match and a draw not enough for the Blues, they declared at 5/149 in their second innings with a seemingly underpar chase of 270 ahead for Tasmania. Though when Sean Abbott got the ball hooping, it was only Matthew Wade - who passed 1,000 runs for the Shield season in this innings, who offered any resistance as his side fell for 120.

On Day 3, it was spearhead Jackson Bird who reached his own remarkable milestone for the summer when he had Nick Larkin caught behind the wicket by Tim Paine. This was Bird's 50th wicket of the season.

The Hobart Hurricanes opened their BBL|08 account in triumphant fashion, defeating the Brisbane Heat by 15 runs at Metricon Stadium.

D'Arcy Short picked up where he left off last season, blasting 67 runs from just 52 deliveries as Tasmania's Team posted 6-159 from a reduced 19 overs.

The Hurricanes attacked the contest from the beginning in the field, with four bowlers claiming multiple wickets as they bowled out the hosts after 18.4 overs.

The match started with a bang, as Short blasted four boundaries and four sixes to claim the Player of the Match award, with his showing reassuring fans that he'll again be a player to watch again this season.

Ben McDermott (25 runs from 16 balls) and George Bailey (22 from 12) provided support throughout the innings, with Simon Milenko's final-ball six ensuring the visitors' total was a defendable one.

Ben Cutting was best for the Heat, clubbing 58 from just 32 deliveries, including two fours and five sixes. When he fell to Jofra Archer just seven deliveries after Riley Meredith skittled the stumps of Jimmy Peirson, it was the Hurricanes' match to lose.

Matthew Wade, D'Arcy Short and Jofra Archer led Tasmania' s Team to a six-wicket win over the Melbourne Stars on Christmas Eve afternoon at Blundstone Arena.

Short - who was named Man of the Match for the second consecutive game to begin BBL|08, took two wickets with the ball as Wade elected to field first before bashing 34 from 22 to get our Hurricanes off to the best possible start in the run chase.

Wade anchored the Hurricanes throughout their pursuit of 156 - in front of a crowd of 9,132, a score which looked a little under par on the back of Archer's three wickets.

George Bailey 27* (18) and Ben McDermott 28 (24) also contributed valuable runs as the former guided the Hurricanes home with eight balls to spare with Simon Milenko not out up the other end.

The Hobart Hurricanes chased down a big first-innings total against the Sydney Thunder at Blundstone Arena to remain undefeated from their opening three matches of BBL|08.

Some heavy hitting from Jos Butler (89 from 54 balls) saw the visitors post a formidable 6-193, with Clive Rose and James Faulkner the standouts on what was a punishing night for the bowlers.

Enter D'Arcy Short and Matthew Wade. Both batsmen were on fire, sending the crowd ducking for cover as they peppered the boundary on a regular basis en route to an opening partnership of 120.

George Bailey picked up where the duo left off, taking 22 runs alone from the 19th over to ensure that Tasmania's Team reached their target, incredibly with five balls to spare.

The Hobart Hurricanes extended their winning streak to four matches and remained undefeated in BBL|08 after convincingly downing the Perth Scorchers at University of Tasmania Stadium in Launceston.

In a record-breaking night for Tasmania's Team - holding the Western Australian side to their lowest-ever score batting first of 8-107, and turning in a team-best bowling powerplay performance of 4-32 from the opening six overs.

Six of the Scorchers' batsmen fell to catches, with the sharp team effort a remarkable turnaround from the maligned fielding performance the Hurricanes put in at Blundstone Arena last time out versus the Sydney Thunder.

The home side made short work of the target with the bat in front of 12, 455 fans, losing just four wickets as they chased down the winning runs with 15 balls to spare.

A D'Arcy Short half-century alongside some big late hitting from George Bailey and Simon Milenko steered the Hurricanes home against a plucky Sydney Sixers outfit at Blundstone Arena, in front of a joyous 12,920-strong home crowd.

Chasing 162 for victory on a good batting track – underneath some red Hobart skies after a long day of bushfires, the ladder-leading Hurricanes kept their unbeaten record intact, with the thrilling five-wicket victory that turned progressively tighter as the match progressed.

The inspiring win made it a perfect 'five from five' start across just 13 days in BBL|08 for Tasmania's Team.

On the same day he was left out of Australia's ODI squad for the upcoming series against India, Short's knock featured five boundaries and three sixes - to chase down the Sixers' total with one ball to spare to win yet another Player of the Match Award.

The Hobart Hurricanes lost their first match of BBL|08 against their sixth opposition, going down to the Renegades in the final over at Marvel Stadium.

After being sent in to bat, the Hurricanes' normally explosive top order slumped to 3-11 before George Bailey and Ben McDermott rescued their innings in fine style to ignite the fight back.

Their 112-run stand pushed Hobart to the highest score in three games this season at Marvel Stadium and when Clive Rose and Johan Botha dismissed Finch and Harper with work still to do, the Hurricanes looked a chance – before Mohammad Nabi, and former Hurricane, Dan Christian lifted the home side's momentum once more to clinch victory.

The Hurricanes stormed back onto the winners list by mauling the Melbourne Stars away at the MCG by 59 runs, to move even further clear atop the BBL Ladder with six wins from seven matches.

The Stars collapsed to be all out for 126 in the 18th over, chasing a mammoth 186 for victory set by the Hurricanes and opener D'Arcy Short, who made more than half the total runs himself.

It left Short with this Big Bash season's highest innings score, as he and fellow opening batsman and skipper Matthew Wade built yet another powerful partnership through the powerplay and well beyond.

With the ball, Riley Meredith further strengthened his credentials as an emerging strike bowler with 4/21 and veteran off-spinner Johan Botha continued his strong start to the season.

James 'The Finisher' Faulkner was the hero as the ladderleading Hurricanes pulled off yet another thrilling fourwicket win over the Perth Scorchers at Optus Stadium.

In reply to the Scorchers' intimidating 9-177, Hobart reached the victory target with three balls to spare, thanks to some miracle last over hitting from Faulkner.

Hobart needed 16 runs off the final Andrew Tye over, and Faulkner achieved the feat in the first three balls going six, four and six having taken three wickets in his first two overs earlier in the clash.

Veteran George Bailey who made 69 off just 39 balls was also critical in the amazing triumph in front of a 36,612-strong and very parochial Perth crowd.

Hurricanes debutant Caleb Jewell - who replaced Jake Doran in the line-up after he was chosen in the Cricket Australia XI Tour Match versus Sri Lanka - was the next highest scorer making an exciting 32 off just 20 balls including six boundaries and a six.

A Matthew Wade whirlwind powered the Hobart Hurricanes to a record-equalling 10-wicket win against the Adelaide Strikers.

The Hurricanes became just the second BBL team to notch a 10-wicket win, cruising to their 155-run target with 19 balls to spare at Adelaide Oval.

Wade smacked 84 from 49 deliveries and D'Arcy Short made 73 from 52 as the Hurricanes emphatically stretched their lead atop the ladder.

They finished 0-158, banking an eighth win from nine games and putting a six-point gap between them and second spot.

It was a mixed bag with the ball for Tasmania's Team with all bowlers contributing to tie down the Strikers' throughout their 20 overs.

Josh Philippe fired the Sydney Sixers to a thumping ninewicket upset win over the Hobart Hurricanes to hand the ladder leaders their second loss of the summer.

The Sixers were struggling at 1-6 after James Faulkner struck with just the fourth ball of the innings to remove Daniel Hughes caught behind for six.

However, Philippe and James Vince with 74* put on a game-turning partnership.

Earlier, Matthew Wade sent yet another message to the Australian selectors with his fourth 50 of the tournament.

Wade had 387 runs for the tournament to be second on the scorers' list behind only his opening partner D'Arcy Short, who helped the Hurricanes get off to a flying start with 32 from 26 balls.

Wade and Ben McDermott (41 off 31) put on 67 runs for the third wicket partnership to put their side in a commanding position, after being sent in to bat by the Sixers - however they had no answer to Philippe.

A breathtaking Jofra Archer grab on and over the boundary rope - coupled with yet another unbeaten half century from star opener D'Arcy Short, helped the Hobart Hurricanes make light work of the Brisbane Heat.

The ladder-leading Hurricanes cruised past the Heat's 6-145 with just one wicket down and more than five overs to spare at Blundstone Arena, to return to being two wins clear atop the table.

Short smashed 68 not out from 41 balls including eight boundaries and one maximum, in a 132-run partnership with Canes rookie Caleb Jewell, who kept pace with 61 not out from 38 balls - also with eight boundaries and one maximum.

Hobart finished with 1-146 in their clinical nine-wicket victory, making it their ninth win of the season from 11 games. David Moody and James Faulkner each finished as the pick of the Hurricanes bowlers with 2/27, Northern Tasmanian product, Jarrod Freeman, finished with 0/11 (2) on his debut.

The Adelaide Strikers re-enacted some BBL|07 Grand Final pain on the Hurricanes in Launceston, comfortably chasing down the Hurricanes' 7-169 with seven wickets in hand.

The Hurricanes were chasing the one victory they needed to finish atop the standings and guarantee a home Semi-Final.

But in reply, Adelaide cruised to victory – a major turnaround from these teams' Adelaide Oval clash back on 21 January when the Hurricanes romped away with a 10-wicket win.

Matthew Wade starred with the willow, nearly singlehandedly powering the hosts to their competitive target.

With the ball, wickets were tough to come by with secondgamer Jarrod Freeman capturing his own moment to remember in front of his hometown crowd when he trapped Jake Lehmann leg before.

A thrilling 16-run victory over the third-placed Melbourne Renegades guaranteed Tasmania's Team finished on top of the BBL|08 Ladder and host a Home Semi Final for the first time since BBL|01.

Player-of-the-Match Matthew Wade responded to an Australian ODI selection snubbing by smacking yet another Big Bash half century.

In reply, an equally fast-starting Renegades outfit led by Australia's star openers Aaron Finch and Marcus Harris largely kept pace with the Hurricanes' run-rate before being choked by some superbly tight spin bowling from D'Arcy Short and Afghani debutant Qais Ahmad (2-34 from 4.0 overs).

In-form skipper Wade hit 58 from just 30 balls – including four sixes and six fours, in an 87-run opening stand with partner-in-crime D'Arcy Short, for the former Test wicketkeeper's sixth half century of the BBL season so far.

Australian cricket stars Pat Cummins and Usman Khawaja returned from Test duties to help steer the Sydney Thunder home by four wickets against the Hobart Hurricanes at Canberra's Manuka Oval.

Cummins, playing his first game for the Thunder in two years, dismissed in-form power openers D'Arcy Short and Matthew Wade to help restrict the ladder leading Hurricanes to 4/165, one third of which came from the willow of veteran George Bailey.

In reply, the Thunder needed to reach the target in 11 overs to surge into the top four but the economical bowling of Qais Ahmad and D'Arcy Short ensured that was a bridge too far, even if the partnership between Callum Ferguson and Khawaja did guide the hosts home to finish their season on a high.

The BBL Semi-Final 'hoodoo' continued with the fourthplaced Melbourne Stars cruising to victory against the top-placed Hobart Hurricanes at Blundstone Arena.

It was reminiscent of last season's semi-final, when the Hurricanes shocked in-form Minor Premiers, the Scorchers over in Perth, after falling into fourth place on Net Run Rate with five wins and five losses.

But this time it was the Stars with just seven wins and seven losses who bumped off the purple Minor Premiers who boasted ten wins and four losses.

To add insult to injury, fan favourite George Bailey suffered a serious right shoulder injury diving in the field to stop a ball on the off-side boundary.

Afghani teen sensation Qais Ahmad kept the Hurricanes in the match with 3-33 (4.0) in the middle overs after a Ben McDermott half-century put a respectable total on the board.

But the night belonged to Maxwell who hit an unbeaten 43 from 33 balls, as the Stars reached the target of 154 with seven balls to spare. Cricket Tasmania Annual Report 2018-19 Cricket Tasmania Annual Report 2018-19

Tasmania's female State side won its first game for 670 days, defeating the ACT Meteors by five wickets in their Women's National Cricket League (WNCL) season opener at Brisbane's Allan Border Field.

It was also their first official tournament match as the newly rebranded Tasmanian Tigers Women.

The Tigers took all 10 Meteors wickets for 218 runs in the 47th over after they elected to bat first, with Meg Phillips The mighty middle order duo of Emma Thompson and Corinne Hall were pivotal in the Tigers' chase which looked shaky to begin with.

The slow run rate may have worried fans initially, but the team's new mantra for this season of competing for longer periods of every game, was shining through with their ability to stop the flow of Tigers' wickets falling.

It may have taken four matches combined across the men's and women's sides, but the Tasmanian Tigers were on the wrong side of the win-loss ledger for the first time in Season 2018-19 on the Gold Coast.

Nevertheless, the Tigers, buoyed by their season-opening win against the ACT Meteors, still had their moments.

The Breakers' top three of Rachael Haynes, Alyssa Healy and Ellyse Perry are always tough to contain, let alone after a loss, and put the Tigers on the back foot from the beginning.

Veronica Pyke (2/59) and Sasha Moloney (2/62) made short work of NSW's middle order but the wicket of Perry proved elusive and some big late hitting from Rachel Trenaman and Rene Farrell put NSW in a commanding position with 345 the target.

Tasmania's best moments with the bat - was a partnership of 58 for the second wicket between Georgia Redmayne and Amy Satterthwaite. Buoyed by the signing of English World Cup-winning spinner, Alex Hartley, in the days leading up to their first home game, the Tigers won a thriller against the Queensland Fire at the TCA Ground in Hobart.

Stefanie Daffara and Georgia Redmayne were impenetrable at the top of the order for much of the game's first innings as the Tigers put on a competitive total.

In reply, Meg Phillips was the catalyst as the Fire slipped from 3/103 to 6/104 in seven deliveries, but the game wasn't done yet.

The Tigers' Women's English superstar, Alex Hartley, and gun wicketkeeper, Georgia Redmayne, were the stars of the show at Casey Fields, leading the top-of-the-table Tigers to a convincing 78-run victory over the Western Fury.

A special mention for Tigers debutant, Amy Smith. At just 14 years of age Amy is the youngest player ever to play for the Tigers senior teams, men or women, and she claimed a wicket on her debut.

The previous record was set by teammate Meg Phillips who was just 15 years of age.

The Tigers lost wickets at regular intervals late in their innings but via Redmayne and Hall once more, had a competitive target to defend.

Final game of the season heartbreak hit the Tasmanian Tigers Women at the Junction Oval, missing out on a firstever WNCL Final by 14 runs versus Victoria.

The 'win and you're in' challenge was set-up following Friday's win over Western Australia and with a Tigers defeat meaning they could still advance to final and just not host it, they were in the box seat for the big dance.

Queensland's bonus point victory over WA put a stop to the latter scenario though and the challenge soon became 'chase 261 and you're in' at Junction Oval. The Victorian's total may have been less if it weren't for a Meg Lanning masterclass of 105 from 101 and some late hitting from Molly Strano and Nicole Faltum.

Our best bowlers in the first innings were veteran Veronica Pyke and Hurricanes WBBL skipper, Sasha Moloney.

With the bat, Daffara played a steady hand throughout as wickets fell around her when the scoreboard pressure was applied and Veronica Pyke very nearly pulled the Tigers into the Final with a fine lower order half-century in what would be her final Tigers appearance.

Hurricanes 6/196 (Mandhana 69, Matthews 42; King 2/22 Osborne 1/22) def. Stars 124 (Reakes 31, Sutherland 23; Knight 3/10, Pyke 2/19) by 72 runs.

The WBBL Hurricanes claimed their first win of the rebel WBBL|04 season in Burnie in record-breaking fashion, defeating the Stars by 72 runs at West Park.

Indian star Mandhana found the boundary quickly and at regular intervals, with Hayley Matthews matching her in scoring pace at the rotation of strike, as the Hurricanes surpassed their previous best-ever powerplay to reach 1-55 after six overs.

They put on 98 for the second wicket before Matthews was run out at the non-striker's end. The West Indian fell awkwardly while attempting to quick turn, immediately clutching her leg, appearing to have hurt her knee and was assisted from the field by medical staff.

Mandhana continued to bat superbly, the Hurricanes' total was not only their highest-ever score, but the third-highest in the competition's history overall.

The Hurricanes hunger in the field and disciplined bowling matched their dynamism with the bat and all of a sudden, the Stars found themselves facing an uphill task at 6-90 after 12 overs.

Brooke Hepburn was rewarded for a tireless bowling effort with the final wicket of Makinley Blows, sealing the Hurricanes' victory to the cheers of the 879 faithful fans.

Hurricanes 5/133 (Knight 51*, Daffara 27; Kapp 2/20, van Niekerk 1/13) lost to Sixers 3/155 (Gardner 79*, Burns 43; Pyke 1/14, Hartley 1/25) by seven wickets on Duckworth-Lewis System Method.

The Hobart Hurricanes went down in a rain-affected match against the Sydney Sixers at Blundstone Arena.

Heather Knight seized control of the contest in the early going, with the England captain smashing an undefeated 51 from 35 balls including five boundaries and a big crowd-pleasing six, before combining with captain Sasha Moloney to ensure the Hurricanes finished in a hurry.

Veronica Pyke got the Hurricanes off to a good start in the field by claiming the wicket of the dangerous Alyssa Healy in the first over.

The Sixers scratched along at a run-a-ball pace thereafter, and when English import, Alex Hartley, Perry for just 10, the visitors looked to be positioned behind the mark on 2-58 after seven overs.

From then on, it was the Ashleigh Gardner and Erin Burns show, with the former Hurricane smashing her way to Player of the Match honours, a knock which included a stunning 12 boundaries and three sixes.

A WBBL-record ninth-wicket partnership of 55 took the Hurricanes to the final over of the match versus the reigning champion Sydney Sixers for the second day running.

For the first time this season, Sasha Moloney's charges were in the field to begin the game and kept the Sixers at bay. 159 was the target and there was a feeling inside the ground that the Sixers would need all 10 wickets to win.

The international stars of the Tasmania's Team top order, Smriti Mandhana and Heather Knight, came and went relatively cheaply but kept the required run rate in check.

A steady flow of wickets soon followed, though, with four falling inside the powerplay and eight by the 11th over.

When Brooke Hepburn fell from the final ball of the 19th over, it was down to Redmayne to find 18 from six deliveries with Alex Hartley at the other end.

Some eager off-strike running from our World Cupwinning off-spinner saw her caught short of her ground and that was all she wrote for The Big Weekend in Hobart.

The WBBL Hurricanes fell to the Perth Scorchers by the narrowest of margins, with a super over defeat deciding the result of a tense encounter.

Nicole Bolton was the hero at the death for the visitors, smashing a boundary and a six as the Scorchers set the Hurricanes a 16-run target from the extra six deliveries.

The hosts would ultimately fall short, making just 2-10 as eventual Player of the Match Heather Graham held her nerve with ball in hand.

The Hurricanes top order all chipped in with starts to put the scoreboard pressure right on the chasing Scorchers, who rallied with a lower order partnership between Graham, Lauren Ebsary and then Chloe Piparo to tie the game with 16 runs off the final over. Cricket Tasmania Annual Report 2018–19

The Hobart Hurricanes were convincingly defeated by the Sydney Thunder at Manuka Oval in Canberra, largely due to the contributions of Thunder trio Stafanie Taylor, Sam Bates and Naomi Stalenberg.

Sent into bat, Tasmania's Team got off to an impressive start to be 2-82 from just nine overs - through quick-fire starts from Erin Fazackerley, Smriti Mandhana and Heather Knight, before a mini collapse at the hands of Taylor and Bates saw them post an attainable 9-153.

The total always looked under-par for a flat Manuka Oval pitch despite some impressive hitting inside the power play.

Veronica Pyke, in her 50th Hurricanes appearance, was the best with the ball, picking up Australian star Rachael Haynes in the first over of the Thunder's chase.

The Hobart Hurricanes fell to the Sydney Thunder by six wickets at Spotless Stadium on Christmas Eve.

A late batting collapse resulted in a total of 135 that was always going to be tough to defend.

Smriti Mandhana was in dominant form early, smashing five boundaries and a six before falling on the third-last ball of the powerplay with the score on 53.

Stef Daffara (26 runs) and Heather Knight both made bright starts but were unable to bat long enough for the Hurricanes to see out their 20 overs.

Three late run-outs cost Tasmania's Team crucial runs, as their total was overrun inside the 17th over largely due to the contributions of openers Rachael Haynes and Rachel Priest.

Priest hit five boundaries in her eleven-ball innings, but it was Haynes' unbeaten 68 that really hurt the Hurricanes, with the national star earning Player of the Match honours for her display.

The WBBL Hurricanes claimed a thrilling five-wicket win over a highly-favoured Brisbane Heat outfit at the University of Tasmania Stadium in Launceston.

Tasmania's Team were on their game in the field, hanging onto four early catches, and eight overall, to bowl out the visitors for just 129 in 19 overs.

The run chase got off to a shaky start, with the Hurricanes 4-29 after the powerplay, before 50-gamer Corinne Hall and Mikayla Hinkley combined for a stoic 98-run partnership to guide the home side to their second win of the season with ten balls to spare.

With the ball, it was Northern local Meg Phillips and Alex Hartley who combined for five wickets in a brilliant team effort.

The Hurricanes' Launceston trip ended on a disappointing note, falling to the Brisbane Heat by 58 runs despite holding the visitors to a seemingly-attainable first innings total.

Meg Phillips backed up her three-wicket haul with another three scalps to spearhead a bowling attack that restrained the Queensland side to a score of 8-138, but a batting collapse in response left the Hurricanes well short of their required target, posting just 80 runs in all.

Mikayla Hinkley, who finished undefeated on 45 in Sunday's win, was the only batter in purple who looked comfortable at the crease, but when she fell to an errant pull shot the pressure became too much for the home side as they fell away quickly.

Some brilliant performances from our WBBL captains both past and present wasn't enough to get our Hurricanes across the line at GMHBA Stadium in Geelong.

WBBL|03 skipper Corinne Hall's 37* from 30 deliveries lifted our total to our mildly defendable 8/115 before our current leader, Sasha Moloney, kept us in with a shot of victory with 3/20 from four fine overs.

Unfortunately, with little margin for error with the ball in hand, our hosts the Renegades passed our total five down with 11 deliveries to spare.

It was another performance full of fight but another which will leave our WBBL side wondering what might've been if a few more key moments went their way.

Heroic hitting from Sophie Devine at the beginning and the end propelled the Adelaide Strikers Women to a dramatic Super Over win over the valiant Hobart Hurricanes Women.

Devine's 99 not out underpinned the Strikers' 5-189, which the Hurricanes bravely matched when they responded with 8-189.

Katelyn Fryett's boundary off the last ball, with five required for victory, tied the scores after their star Indian import opener Smriti Mandhana smoked 52 off just 25 balls to set up their strong run chase.

Mandhana belted the first ball of the Super Over from Sarah Coyte high onto the marquee roof as the visitors scored 1-12 (1.0).

But Devine was even better, heaving Hurricanes pacebowler Brooke Hepburn for back-to-back maximums, before edging an off-side boundary to give the Strikers a remarkable win with three balls remaining.

Tahlia McGrath stroked her second half-century in as many days as the Adelaide Strikers Women kept their faint WBBL finals hopes alive with a 24-run victory over the Hobart Hurricanes.

McGrath thumped a quickfire 65 off 39 balls to underpin the Strikers' 5-165 total.

Hurricanes Vice-Captain Brooke Hepburn took 2-34 from her four overs, claiming the scalps of McGrath and Megan Schutt as England skipper Heather Knight claimed 2-31 from her four overs, as the Hurricanes swapped between six different bowlers.

Veteran pace-bowler Veronica Pyke remained very economical taking 1-17 from her three overs.

The brave Hurricanes Women were held to 9-141 in reply, with no repeat of yesterday's heroics where Hobart belted their way to 189 to force a Super Over.

The Melbourne Renegades hung onto a nail-biting threerun victory over the Hobart Hurricanes Women to secure a spot in the WBBL Finals for the first time.

Former Hurricane, Amy Satterthwaite, produced a fine captain's knock in the red and black to inspire the Renegades to 6-146 before the Hurricanes were frustratingly held to 6-143 in a last-ball heart-stopper.

With the Hurricanes needing nine to win off the last over, the ever-economical Molly Strano held her nerve and ultimately, with five required off the final ball or four to force a super over, Corinne Hall could only muster a single.

Hurricanes opener, Erin Fazackerley, played the best innings of her life and together with Indian star Smriti Mandhana bludgeoned the Renegades attack during the power play after fellow import, Alex Hartley, was the best with the ball for Tasmania's Team.

Cricket Tasmania Premier League

2018-19 Men's CTPL First Grade Season Review

The 2018-19 Detail First Cricket Tasmania Premier League (CTPL) First Grade competition was contested over 21 rounds which included seven two-day, six one-day and seven Twenty20 rounds. The season was highlighted by the inclusion of the Greater Northern Raiders.

It was an intriguing season with the top two positions not settled until the very last round, however, all 4 teams that featured in the 2017-18 finals again featured in the 2018-19 finals.

Ultimately, Clarence claimed their third consecutive Minor premiership on 83 points ahead of Lindisfarne on 79 points, South Hobart Sandy Bay on 68 points and North Hobart on 57 points.

In the bottom half of the competition, University again finished in fifth position on 47 points over Kingborough (35 points), Glenorchy (27 points), Greater Northern (23 points) and New Town (5 points).

Semifinal action saw a repeat of the 2017-18 grand final with Clarence defeating North Hobart thanks to a fine century from Jesse Dinnie getting his side to 285 just before lunch on Day 2. The Roos bowlers got the job done, bowling the Demons out for 146 to progress to the final.

In the other semi-final, Lindisfarne dominated South Hobart Sandy Bay, defeating the Sharks by 165 runs thanks to an all-round captains performance by Matthew Wilkie who knocked 66 with the bat and took 3-8 with the ball.

2018-19 Men's CTPL First Grade Grand Final

The Detail First Premier League Grand Final lived up to the hype on day one, near perfect conditions in the first session giving way to some exciting cricket. Clarence won the toss and elected to bat, however were soon in strife as Rodwell Medalist Harry Allanby was dismissed by Nathan Ellis for a duck.

The Lindisfarne bowling attack came out ready to put pressure on the reigning premiers, as Matt Wilkie and Ellis rampaged through the Clarence top order, Jesse Dinnie (3), Alec Smith (1) and Ben Rohrer (14) all falling in quick succession leaving the Roos 4/52 early in the match. As the conditions became overcast throughout the day, an impressive stand between Michael Jones and Daniel Salpietro kept Clarence in the match as Jones brought up his 50 and the pair reached a 95-run partnership. However, as Salpietro (44) lost his wicket to Ellis break the partnership and was soon followed by Jones (73) off the bowling of Wilkie, the tail end soon fell away under the Lightning's impressive and consistent form with the ball.

Absolom was out almost as quickly as he was in, dismissed for a duck after facing three deliveries. Ellis cleaned up the remainder of the Clarence tail order as Clarence were all out for 209, Ellis finishing with figures of 5/73, while playing coach Wilkie finished his innings 4/35.

the opposition, Mac Wright and Matthew Dance looked dangerous early before falling to Lawrence Neil-Smith for 15 and Sam Rainbird for 18 respectively. With the aim being to get through the remainder of the session without losing another wicket, captain Charlie Wakim (21*) and Ben McDermott (33*) managed to bat it out and leave the Lightning in a commanding position,

Lindisfarne came out swinging after seeing out the final session of play on Day 1 with Charlie Wakim and

The pair left no doubt as to their intentions as both players brought up their half centuries well before lunch. A frustrated Clarence bowling attack were unable to put a halt to the partnership that soon developed into centuries for both players after lunch, Ben McDermott hitting his ton as Lindisfarne cruised to 2/241. Lightning captain Wakim was soon to follow, notching his own ton

It was Lawrence Neil-Smith that finally took the scalp of the captain, Wakim caught in front of the stumps on 117 off 236 deliveries. However, the jubilation of the Roos was short-lived, as McDermott took up a new partnership with the incoming Keegan Oates. McDermott simply couldn't be stopped, hitting glorious shots all around the ground off the entire Clarence bowling attack. His magnificent effort of 217* with the bat broke the 35-year-old record for the highest individual score in a Grand Final, which was previously held by Lindsay Davison of Glenorchy Cricket Club.

Clarence could do little to stem the flow of runs, Oates himself putting in a strong performance to finish with 53* off 106 deliveries. The Lightning finished 3/460 at the end of the days play, losing only the three wickets across their 124 overs. For his record-breaking performance with the bat, Ben McDermott was awarded the Roger Woolley Medal for Player of the Final.

2018-19 Women's CTPL First Grade Season Review

The Women's competition in 2018-19 once again comprised 14 rounds of Twenty20 cricket that culminated in finals in March.

North Hobart and Clarence emerged as two of the top sides early, while University had a fantastic season, finishing at the top of the table after 14 rounds only to bow out of the finals early on to open the competition up to the other sides.

Kingborough enjoyed another quality season finishing third on the ladder, though were knocked over by the quality North Hobart side in the semi-final.

Lindisfarne were a close fifth behind Clarence, dropping their last game to miss the finals by only three points.

New Town showed some good form throughout the season, finishing ahead of SHSB and Glenorchy who rounded out the eight in seventh eighth position respectively.

Finishing second after 14 rounds and with four more wins than the Roos, North Hobart would've confident of securing some silverware yet would've been wary of a Clarence side brimming with energy after a massive upset win against University to advance to the decider.

2018-19 Women's CTPL First Grade Grand Final

In the CTPL Women's Twenty20 Grand Final played at the TCA Ground, the Roos won the toss and sent in the home side to bat.

The Demons got off to a quick start, however some classy bowling by captain Emma Thompson kept Clarence in the game.

Coming off an impressive win in the semi finals over University, the Roos would have been confident that their batting talent could chase down the required runs.

Stefanie Daffara looked strong with the bat for the Demons (31) and while her opening partner Taylah Purton fell for 5, the incoming captain Hannah Short steadied the ship with an impressive 45 as Clarence struggled to take a wicket for ten overs.

The breakthrough came when Emma Thompson (2/15) stepped up and led by example, bowling Short and triggering a quick succession of wickets. Melodie Armstrong managed a solid 20 before being run out by Katie Cole, while Belinda Page, Beth Langston, Ella Marsh and Kirstin Palfrey all to make an impact with the bat as the demons finished their 20 overs 6/121.

Set a reasonably solid target to chase, Clarence looked in trouble early on losing opener B Grant (2) at the end of the of the third over. Maddison Brooks (15) joined captain Emma Thompson (40) at the crease to pile on the runs, as Thompson backed up her form with the ball to get her side back in the match and with a fighting chance of achieving the required run rate. Some great keeping by Taylah Purton off the bowling of Kirstin Palfrey (1/21) finally broke the partnership as Brooks was dismissed after facing 26 balls, and Thompson was soon to follow with Jayde Davis taking the big wicket.

The run rate slowed from there for the Roos, the partnership of Olivia McDonald (20*) and Natalie Pearce (15) looking promising before Beth Langston (1/16) once again stepped up for the Demons, knocking over Pearce and stopping the run chase in its tracks. The middle order couldn't push through the classy bowling of North Hobart as they fell 14 runs short of the required total for victory, their innings concluding 5/108.

North Hobart captain Hannah Short was awarded Player of the Final for her 45 runs off 47 balls.

2018-19 Rodwell & Fazackerley Medals

Emerson Rodwell Medal

Clarence gun all-rounder Harry Allanby became the first player since Mark Divin (2010-11 and 2011-12) to win back-to-back Rodwell Medals. Leading from the front once again, Allanby backed up a sensational 2017-18 season to help Clarence to another CTPL 1st Grade Finals appearance.

Starring with both the bat and ball throughout the season, the number of games in which Allanby polled 3 votes is a testament to his form and versatility. Scoring 561 runs @ 33.00 and taking 28 wickets @ 17.79 throughout the 2018-19 season, Allanby's match winning performances regularly got his side out of trouble.

A high score of 74 in Round 20 against Glenorchy, followed up by 69 against New Town the following week were two of five half centuries scored by Allanby consistently managed to pile on runs towards the back of the Clarence line-up. With bowling figures that often-featured multiple wickets, Round 2 saw his season's best figures as he took 5/47 against University.

Mac Wright (913 runs @ 70.23) and Charlie Wakim (739 runs @ 52.79) both had stand-out performances with the bat with the latter debuting at First-Class level for the Tigers towards the end of the season.

Allanby joins an illustrious group of players including Divin (Kingborough), Adam Polkinghorne (SHSB) and lan Beven (Clarence) to claim back-to-back medals.

University of Tasmania CC's Ashley Day claimed the Kim Fazackerley Medal for 2018-19. Day was named in the Female Tigers' Squad and represented the Hobart Hurricanes in the WBBL over the 2018-2019 season.

Day had a blistering start to the CTPL season, with 53 runs in the opening Twenty20 round and following up in the new One-Day format with an unbeaten 182*. She would go on to score another six half centuries

throughout the season, almost reaching triple figures again in Round 4 against Clarence with 96 not out.

The stand-out run-scorer for the season, Day scored a total of 499 runs in T20 matches with an average of 83.17, while in the Kookaburra Cup she averaged 275 with an aggregate score of 275, thanks to her unbeaten 182* in Round 1.

Mifsud and Thompson both continued their excellent form in the 2018-2019 season, polling 20 votes apiece and having great finishes to their seasons. Beth Dodd, Beth Langston and Brooke Hepburn were again high in the count.

2018-19 CTPL Teams of the Year

Lindisfarne's dynamic opening pair – Mac Wright and Charlie Wakim headline the CTPL Men's Team of the Year following outstanding individual seasons in season 2018-19.

Wright (913 runs @ 70.23) and Wakim (739 @ 52.79) were both pivotal in Lindisfarne's charge to three Grand Final appearances in the CTPL 1st Grade competitions. Wakim was also duly rewarded with selection in Tasmania's Sheffield Shield team and proved his selection was warranted after scoring 160 on debut and helping the Tigers to an excellent victory against South Australia.

A late season flurry of runs from Sean Willis (583 @ 44.85) ensured his selection for the third time while dual 2017-18 Rodwell Medallists Caleb Jewell (658 @ 47.00) and Harry Allanby (561 @ 33.00 and 28 wickets @ 17.79) also backed up from topping the leaderboard last season to help lead North Hobart and Clarence to another finals appearance.

The evergreen Nathan Matthews (641 @ 58.27) finished the season with two fantastic centuries to slot in at number six while Michael Jones (31 dismissals) had another stellar season behind the stumps.

Nathan Ellis (41 wickets @ 15.51 continued his fine form in 2018-19, claiming the CTPL 1st Grade bowling aggregate award while Ben Fraser (30 @ 20.57), Ryan Lees (32 @ 18.47) and leg-spinner Joel Logan (27 @ 12.96) all had fine seasons with the ball.

Lindisfarne CC coach Matthew Wilkie was acknowledged after leading Lindisfarne to three Grand Finals and Greg Beechey and Jamie Mitchell were also recognised as CTPL 1st Grade Umpires of the Year. Unsurprisingly, 2018-19 Fazackerley Medalist Ashley Day heads the CTPL Women's Team of the Year after a sensational campaign across both formats. The New South Wales product who was offered a full Tasmanian Tigers contract last May left no stone unturned in pursuit of higher honours and amassed 774 runs @ 110.57 at the top of the order for University. Day, alongside Stefanie Daffara (524 @ 74.86) open the batting for the Team of the Year, with the North Hobartian's consistent form leading her side to the T20 Premiership in the 2018-19 season. Corinne Hall and Emma Thompson both shone, each averaging over 100 with Hall 455 @ 113.75 and Thompson 535 @ 107.00. This strong start to the middle order is boosted by Thompson's effectiveness with the ball, taking 11 wickets @ 11.55 throughout the season.

Captain Sasha Moloney is an obvious inclusion, having led her side to the minor premiership in the 2019-19 season. With 433 runs @ 113.75, Moloney rounds out the strong batting order. Emily Mifsud continues to star with bat and ball; with 499 runs @ 41.58 and 20 wickets @ 15.95 she is a clear standout all-rounder in any side. Emma Manix-Geeves was the pick of the keepers this year, with 8 dismissals and 195 runs, while all-rounder Brooke Hepburn continues to impress with 349 runs @ 38.78 and 10 wickets @ 16.00. Beth Dodd, Beth Langston and Leah Wierenga make up the bowling attack, Dodd's versatility with 406 runs and 22 wickets @ 12.77 a testament to her skill and effort throughout the season. Langston, the top Women's Bowling average and aggregate for the season had another exceptional year, taking 26 wickets @ 8.73 and cementing her position as the top bowler in the competition. Wierenga rounds out the team with fantastic figures of 18 wickets @ 13.83. Coach Todd Pinnington gains selection after leading his side to a Premiership victory and maintaining a fantastic record throughout the season.

CTPL Twenty20 Competition Grand Final

With a place in the inaugural Fox Cricket National Premier T20 Championships on the line, both sides gave it their all and put on a fantastic show in what was the first time the two clubs had met in a first-grade Grand Final across all formats. The Demons won the toss and elected to chase, a decision which they have enjoyed success throughout the course of their T20 campaign. Openers Charlie Wakim and Mac Wright set a strong pace early and were cruising at 0/89 before a loose shot from skipper Wakim sent him packing for 48 after being caught by Kade Applebee off the bowling of Jack White.

The wicket of Wakim slowed the blistering Lightning runrate right down and it took a few overs for new batsmen Ben McDermott to find his feet with opener Wright. With the inclusion of Demon Robb Macmillan back into the attack, it was go time for the Lindisfarne duo with the pair taking 8 off his over. This then saw Tom Rogers back into the attack and with it 11 runs off the over.

The Lightning were back on track until Kade Applebee again got the ball in his hands, this time off the bowling of Ben Fraser to take the valuable wicket of McDermott for 29. The Lightning middle order tried to salvage the innings and bat around Mac Wright, who remained unbeaten on 67, but in the end were restricted to 6/155 from their 20 overs.

With the Demons needing 156 to win, at run-rate of 7.8, they came out of the blocks firing thanks to some hard-hitting from Hurricanes teammates Caleb Jewell and Jake Doran. The pair put on a 100-run partnership before Doran fell for 61 off the bowling of Lindisfarne quick Tom Briscoe. Sydney Sixer Jordan Silk (17 not out) then joined Jewell at the crease finishing off the job in the 18th over and guiding his side to an 8-wicket victory.

Captain Caleb Jewell's dominant display of 75 with the willow crowned him Player of the Final in what was a fantastic finish to the Twenty20 season.

Men's Kookaburra Cup One-Day Competition

A man-of the-match performance by Simon Milenko guided South Hobart-Sandy Bay to a comfortable 105-run win over Lindisfarne in the Kookaburra Cup Final. The Lightning started the day with a win however with Matt Wilkie calling the toss and electing to bowl first. The opening bowling attack of Nathan Ellis and Tom Briscoe were economical early, restricting the Sharks to just 11 runs from the first four overs before Ellis got the breakthrough with the key wicket of Trent Keep for just 1.

This brought the Sharks captain Sean Willis to the crease and the pair looked good from the onset, hitting 27 runs from 7 overs before matt Wilkie produced a gem of a ball to have Nichols caught behind for 17.

This brought the ever-reliable Simon Milenko to the crease who took the game by the scruff of the neck, dispatching the Lightning bowlers to all parts of Blundstone Arena. With Willis by his side, the pair added a further 65 runs before Hurricane Jarrod Freeman got the crucial wicket of captain Sean Willis for 35, caught by Tom Briscoe.

On the first ball of the very next over, Mac Wright got another breakthrough and this time it was the soon to be Danny Buckingham medalist Simon Milenko for 45 (49). With the Lightning disrupting the Sharks' momentum, South Hobart-Sandy Bay needed someone to step up. In entered Hamish Kingston. Kingston then set the tempo for the rest of the innings blasting a hard-fought 48 in partnership with fellow middle order batsman Caleb Oakes. The pair added a further 75 before Tom Briscoe took the wicket of Oakes. This sparked a collapse with the Sharks adding another 33 runs for their last 5 wickets to fall on 213 from their 50 overs.

The Lightning knew that the wicket was a 230+ and were confident from the outset with the ever-dangerous Mac Wright and Matt Dance looking in good touch before Wright was caught behind for 8. The Lightning needed someone to stand up and take the innings by the horns but just couldn't find anyone in their lineup to do so until it was too late.

A collapse of the Lindisfarne batting lineup was insurmountable and despite Jarrod Freeman chiming in at number 7 with a cameo of 40 off 51, it just wasn't the Lightning's day. Sharks quicks Milenko and Wisniewski worked well in tandem and proved to be the difference between the two sides with Wisniewski's tight line bowling producing him an incredible 2-20 from his 8 overs. However, it was Simon Milenko with a 4-25 from 7 overs that earned SHSB the trophy and himself the Danny Buckingham Medal for Player of the Final.

Women's Kookaburra Cup One-Day Competition

This season, the Kookaburra Cup was back following a successful return in the 2017-18 season. Based on the standings from 2017-18 the eight CTPL clubs were split into two pools of four.

In the first round, University dismantled Lindisfarne hitting a staggering 0-400 thanks to some hard hitting from Ashley Day (182*) and Sasha Moloney (145*). Lindisfarne lost early wickets and could never recover, being all out for 61.

Kingborough also got off to a winning start defeating SHSB by 44 runs at home. Beth

Dodd was the best of the bowlers in a losing side taking 4-20 off her 8 overs. For the victors, it was the bowling of Meg Harrison who produced incredible figures of 3-7 as well as Emily Divin who notched up a hard fought 34.

In the other Round 1 match, New Town narrowly defeated Clarence away from home by 3 runs thanks to an all-round performance by Emily Mifsud who produced 71 with the bat and 4-23 with the ball. Emily's performance was matched by Clarence star Emma Thompson who hit an incredible unbeaten 105 and took three crucial wickets.

In Round 2, University travelled to Kangaroo Bay Oval to take on Clarence and it was again Emma Thompson who starred with the bat notching up another unbeaten 105, with Clarence posting 7-200 from their 40 overs. In response, University couldn't get going with Thompson once again running rampant, claiming figures of 4-5. In the end, University came up 128 runs short.

New Town played host to Lindisfarne with the visitors winning the toss and electing to bat first. New Town bowled tightly with Lawler (3-10) and Sullivan (3-9) both starring with the ball, restricting Lindisfarne to be all out for 67. In reply, New Town only lost one wicket, reaching the total in the 13 over with Phillips remaining 34 not out.

In Pool B, Kingborough made light work of Glenorchy, defeating them by 114 runs. Emily Divin (43) and Brook Hepburn (49) were the stars for Kingborough who batted first and set a total of 194. In reply, Glenorchy could only manage 80 before being bowled out, Brooke Hepburn the spearhead with 3-18.

In the match of the round, SHSB dispatched North Hobart by 7 wickets thanks to some fine batting by Alex Hartley (42) and Corinne Hall (84*). Stef Daffara was the best for the Demons notching 67 with the willow.

In Round 3, University claimed a convincing nine-wicket win over New Town to finish top of the table and lock in a Grand Final. New Town won the toss and struggled from the outset against a rampant University bowling attack. Emily Mifsud (25) and Frances Sullivan (22) tried to post decent scores for the Bucks but it proved too much with the visitors bowled all out for 149. In reply, it was again Ashley Day (82*) and Sasha Moloney (47*) who reached the target and claimed victory in the 17th over.

In Pool B, Kingborough continued their unbeaten streak in the Kookaburra Cup, making a powerful statement about their finals intentions at Kingston Twin Ovals.

> North Hobart won the toss and chose to bat first, getting to a strong start as opener Stefanie Daffara put on a steadfast 38, with the remainder of the top and middle order posting minor scores. However, a bottom order collapse at the hands of some superb bowling by Nikki Carter (4/23) and Lauren J Hepburn 3/23) saw North Hobart all out for 158, unable to bat out their overs.

Kingborough came out of the sheds swinging, Emily Divin smashing an unbeaten 70 from 86 to lead the charge. Strong performances from Brooke Hepburn (29) and Bonnie H Davies (23) allowed the home side to chase down the target with over ten overs to spare, guaranteeing them a Grand Final appearance.

At KGV Oval, South Hobart/Sandy Bay took down Glenorchy on the back of some sensational batting by Corinne Hall and Beth Dodd, whose unbeaten partnership of 328 proved to be the batting performance of the season thus far. Hall's 157 from 104 deliveries, and Dodd's 125 off 99 was a record breaking performance and annihilated any hope of a Glenorchy victory as the Sharks cruised to a massive score of 2/362. Glenorchy faced an uphill battle from the outset, dominant bowling performances by Beth Dodd (3/10) and Linsey Da Costa (3/5) knocking over the home side for 66 off 18 overs.

It was the Bonnie Davies show on Saturday as the Kingborough captain produced a stunning performance to guide her side to a 10-wicket Grand Final win over University. The Knights day started off in the right fashion, winning the toss and sending the students into bat. The formidable partnership of Ashley Day and Sasha Moloney looked good from on the onset and at 0/28 inside 4 overs were cruising until Leah Wierenga got the breakthrough and upended Moloney stumps for 13. Louise Maddock then joined Ash Day at the crease and the par looked solid adding another 19 before Weirenga again struck taking Day's wicket for 25.

Maddock was then joined by Maddie Blazely and the par looked in phenomenal touch hitting to all parts and adding a further 44 before a collapse of sorts hit with the inclusion of Lauren Hepburn into the attack bringing wickets. Hepburn picked up the prized scalps of both batsmen and from this it was all downhill for University losing their last 7 wickets for 41 runs to finish all out for 150.

It was then Bonnie Davies and Brooke Hepburn who starred from the very first ball to put on an unbeaten opening partnership and chase down the 151-run total in amazingly just the 24th over with Davis finishing on 67 and Hepburn on 57.

Men's Second Grade Final

In the Second Grade Grand Final, Lindisfarne sent in the home side to bat in a display of confidence. The Knights, who finished the season in second place and were favourites to take out the Final, looked to be in trouble as openers Luke Doran (8) and Connor O'Brien (10) were back in the rooms early on, falling victim to some excellent bowling by Daniel Chapman and a run out by Declan Waddington respectively.

The woes continued for the home side as Samuel Martyn was dismissed for a duck, again off the bowling of Chapman while Bryce Turnbull's promising 35 off 135 ground to a halt as he was caught by Daniel Morgan off the bowling of T McGann. However, the match winning innings of Joshua Henley, who smashed 141 off 250 deliveries gave Kingborough the chance to pile on the runs, as Shane Holland hit an impressive 48 off 77 to leave the Knights 10/323. D Chapman (3/103) and A Marr (3/57) were the pick of the Lindisfarne bowlers, as was D Morgan (2/41) who's 30 overs included 15 maidens.

Set a significant total to chase on the second day of play, Lindisfarne got off to a less than ideal start losing Kieran Gilbert cheaply for 9. Jed Steele put in a fantastic performance with the bat, belting 97 runs off only 104 deliveries. However, his partners couldn't manage to get going, Declan Waddington (10) and Jackson Grubb (5) both caught by Declan West off Bryce Turnbull and Shane Holland respectively. As Holland took the crucial wicket of Steele soon after, the rest of the Lightning's batting lineup soon fell away, reaching 228 runs before being bowled out. Shane Holland (4/83) and Declan West (4/57) were the standout performers with the ball for the Knights as they claimed the Premiership Cup.

Men's Third Grade Final

Ferguson Park was home to the Detail First Premier League Third Grade Grand Final in a clash between sides that finished on equal points over the course of the season. Brighton won the toss and elected to bat first, though were off to a shaky start losing three wickets in quick succession within the first hour.

Cricket Tasmania Annual Report 2018-19

Ashton Arnold (2), Joshua Page (12) and Noah Holmes (0) were all out cheaply as Brighton were stuck on 15 runs. The side struggled to put a solid partnership together as the Kingborough bowling attack shared the wickets around; Justin Direen (3/35), William Poland (2/21), Jake Hayers (2/31) and Samuel Oliver (2/39) all contributed to the demise of the Brighton batting line-up as they were all out for 163, off 71 overs.

In response Kingborough looked promising early with the bat, as George Mazengarb (29) and Blair Harrison (9) put on a solid 40 run partnership. However, both batsmen fell in quick succession to the bowling of Keegan Wylie and Joe Sorrentino respectively which triggered a middle order collapse for the Knights, Andrew Downton (4/28) ripping through the batting line-up with help from Jayden Wylie (2/25) and Keegan Wylie (2/19). Kingborough were knocked over for 115, Mazengarb and William Poland top scoring with 29 runs apiece leaving the Knights with some work to do to keep them in the game.

Brighton's second innings was over quickly; while openers Joshua Page (0) and Ashton Arnold (6) were out early on Marcus Campopiano left no doubt as to the result, smashing 63 off 60 deliveries to lead his side to victory. Brighton finished their second innings 3/83 as the match concluded, leaving the side the winners of the Third Grade Premiership Cup.

Boys U17 Final

64

The Detail First Premier League Boys U/17's Grand Final was as close a game as you can ask for, some stellar performances with bat and ball from both sides making for an unforgettable match. Clarence took on Kingborough at Kangaroo Bay Oval, the home side winning the toss and sending the Knights in to bat first. The game looked to be well in the hands of Kingborough, as opener Mitchell Owen took to the Roos bowling attack with an incredible innings.

While captain Aidan Donovan fell for 5 off 40, Mitchell Owen remained at the crease to hit an impressive century, 138 off 180 deliveries. His partner throughout this magnificent knock, Jacob Glover, also put in a fantastic performance with the bat with 60 off 131. However, as both crucial wickets fell off the bowling of Colby Whitelaw (1/12) and Samuel Banks (3/44) in quick succession, the remainder of the batting line-up was cleaned up very quickly. None of the remaining seven batsmen were able to reach double figures as Lachlan Borsboom (3/31) and Ryan Borsboom (2/33) tore through the tail order, Kingborough bowled out for 250.

Clarence were in trouble early on in their innings, Tom Kemp out for 7 off the bowling of Jacob Glover. Archie Hurd (21 off 113), Thomas Vaughan (37 off 126) and Samuel Banks (27 off 55) all spent decent time at the crease slowly ticking over the total for the Roos, while captain Lachlan Borsboom (85) put in a fantastic effort, remaining at the crease as his partners fell around him. In what became a truly tight contest, Clarence managed to get within six runs of victory before losing Ryan Borsboom for 10. Needing one wicket to win, Kingborough couldn't get past Connor Woolley, as he smashed a four to lead Clarence to victory. Mitchell Owen (3/62), Jacob Glover (2/53), Jack Ross (2/20) and Matthew Direen (2/20) all put in great efforts with the ball for Kingborough as they fell just short of victory, Clarence clinching the Premiership Cup in the tightest of victories.

Girls U17 Final

North Hobart faced New Town in the Girl's Under 17's Grand Final at the TCA Ground.

Winning the toss and electing to bat first, the Demons looked in trouble early losing opener Jayde Davis on her third ball. The Demons middle order struggled to make an impact throughout the innings, Maya Armstrong the pick of the incoming batsmen with 17. Some quality bowling on the part of New Town by Kasey Gray (2/39) and Sophie Reid (2/14) ensured that the North Hobart batting line-up couldn't post an unreachable total.

However, the stalwart of the Demons side Ella Marsh powered through the 20 overs, remaining at the crease throughout the entire innings and smashing an unbeaten 54* off 31 deliveries. North Hobart finished with a respectable total of 7/152 and would have felt confident in their ability to defend the total.

New Town came out swinging in their innings, as Cassandra McLoughlin (18) wasted little time in getting the runs on the board. The loss of Hannah Wilson for a duck put the pressure back on the Bucks before Kasey Gray (38*) and Matilda Waddington (31) took to the crease to put on a match winning partnership, smashing 7 and 5 fours respectively off their 34 and 26 balls faced. Kasey Gray retired not out as Jezrelle Gray took the crease, continuing the Bucks mighty form with the bat with an unbeaten 25*. Kendylle Byers was the only bowler to make an impact for the Demons with figures of 2/24, as New Town raced to the target runs with 10 balls to spare.

Boys U15 Twenty20 Final

A solid knock from Bailey Jenkins and some fantastic bowling by Amy Smith and Benjamin Strong led New Town to victory over Clarence in the 2018-19 Boys Under 15 Twenty20 Final.

With New Town winning the toss and electing to bat, the Bucks looked strong early with openers Keegan Ryan and Bailey Jenkins blasting to all parts. Inside 5 overs, New Town were 0/41 and cruising before Josh Curtis caught Keegan Ryan in front for 25. This bought captain Jesse Wilmott to the crease with the pair adding 28 runs before Wilmott was run out for 8.

This brought newly crowned Women's Tigers debutant Amy Smith to the crease. Bailey Jenkins then took matters into his own hands producing a fine half century before being caught by Clarence fielder Rogan Dobie off the bowling of Josh Curtis for 56. Bucks keeper Brayden Butler then took to the Clarence bowlers who blasted 12 runs in the final over to get New Town 3/139 from their allotted 20 overs.

Clarence then set out to chase down the total set by New Town and looked strong early with openers Ozzie Warmbrunn and Patrick Kenna going at a consistent pace and run rate. Warmbrunn made it to 16 before being caught off the bowling of Amy Smith. This brought Brodie Gluskie in and with Kenna by his side, the pair added another 12 runs before Amy Smith again struck taking Gluskie's wicket for 12. This started a Clarence batting collapse.

The Clarence middle order attempted to build partnerships to take down the total but, in the end, their running between wickets was what let them down losing their last 4 wickets all to run outs with the Roos finishing all out for 108 with 3 balls to spare in the innings.

Boys U15 One-Day Final

The New Town Bucks faced off against the Kingborough Knights in the U/15 Boys One-Day Grand Final

65

Kingborough made the trip to Clare Street Oval to face a New Town side that were in fine form and looking to make it two from two after claiming the T20 Grand Final earlier in the season. Winning the toss and electing to bat first, the Knights struggled to put the runs on the board with James Scott the top scorer with 35. The New Town bowling attack looked deadly all throughout the innings, Willmott (2/17), Britten (2/18) and Smith (2/24) all sharing in the spoils as the visiting side put up a total of 8/131 from their overs. All assumed that the Bucks would readily chase down the required runs, however a middle order collapse ended all hopes of victory.

Keegan Ryan stayed strong at the top of the order, knocking 40 and top scoring for the Bucks, however the Knights claimed several wickets in quick succession to sap the confidence out of the home side. New Town seemed in shock as some desperate batting on their behalf and savage bowling by the Knights brought their batsmen unstuck. The Bucks limped to 74 runs as they were torn apart by some superb bowling by Kingborough bowlers Scott (3/12) and Lawless (3/17), and surely felt as though a great opportunity had slipped through their fingers. In an upset win, Kingborough managed to pull a victory out of the bag thanks to their prowess with the ball and fighting spirit.

U18 Vacation Competition Final

66

An unbeaten knock by Hamish James and some fantastic bowling by Andrew Smith led New Town to victory over Clarence in the 2018-2019 Under 18 Vacation Competition Final.

With New Town winning the toss and sending in Clarence to bat, things looked bad for the Roos early on after losing four wickets in the opening twenty minutes. Andrew Smith starred for the New Town bowling attack and looked to close the Roos innings early, taking 3 wickets for 12 off 8 overs, including 4 maidens. However, some stalwart batting and impressive patience by Samuel Banks, who remained at the crease for nearly two hours to post an unbeaten total of 80 from 103 deliveries kept the hopes of Clarence alive.

Partners Thomas Vaughan (17) and Ryan Borsboom (18) stayed in the match long enough for Banks to get to work, hitting five fours in his hard-fought innings before falling to the bowling of Hamish James, who ended his spell with figures of 2/39. Clarence managed to bat out their 40 overs, finishing with a credible 8/142 and putting them in the hunt for a Grand Final victory.

While the New Town bowling attack looked dangerous all day, the Bucks batsmen got off to a less than desirable start, Chrisenthus Kahatapitikanamalage for 2 (run out), Jayden Vince for 3 and Jye Menzie for 0 (Ryan Borsboom). Things looked even worse when Sam Wright fell to Lachlan Borsboom for 19, after staying at the crease for 39 balls. Ryan Borsboom starred for Clarence with the ball, ending with figures of 3/11 off 8 overs, including 3 maidens.

But it was the Bucks middle order who stood firm, forming several solid partnerships with contributions from many. Hamish James knocked an unbeaten 44 from 78 deliveries, joined at the crease at various stages by William Sartori (11), Jaythan Poulson (31) and Joshua Jones (21), who smashed two sixes off his 14 balls faced to clinch what was a very close match. New Town came away from the match with a final score of 6/143, with 1.4 overs to spare in the innings.

40 & Over Competition Final

The Detail First CTPL 40s and Over competition was once again contested this season with five CTPL clubs participating over four rounds and at the end of the regular season, Kingborough (13) finished atop of the ladder, followed closely by University (12), Clarence (4), Glenorchy (4) and South Hobart Sandy Bay (0).

With several former club stars on display for both teams, Kingborough and University clashed in the Grand Final at Kingston Twin Ovals.

Winning the toss and electing to bat first, the Knights looked shaky early as they lost multiple wickets early on, Tim Scott top scoring for the top seven batsmen with 13 runs. Damon Marsh (2/16), Nick Paine (2/19) and Graeme Cunningham starred for University with the ball and looked to have the home side out very cheaply before Paul Vincent and Warwick Ashlin took the crease. Smashing a quick 40* from 21, Vincent was aided by partner Ashlin (27) as they weathered the storm and allowed Kingborough to post a respectable total of 9/138 off their 20 overs.

In response, the University batsmen came out swinging, looking to knock over the required total as quickly as possible. Damien Wright (37*), Gus Nandan (25) and Graeme Cunningham (38*) took to the Knights smashing their bowlers all over the park before a middle order collapse allowed Kingborough to take control of the match.

The University batsmen were desperate as Josh Bean, Shaun Clifford and Benjamin Harrison were all run out trying to get their side across the line, falling 6 runs short of victory in the end as Kingborough ran away with the win.

CTPL Hall of Fame Inductees 2018-19

Lyndon J. Stevens

UMPIRE 1965-66 to 1980-81

Jim Stevens was the best and most decorated umpire in the TCA grade competition from 1965 until his retirement in 1981, reflected by his appointment in a remarkable twelve 1st Grade Grand Finals during his fifteen years officiating in Tasmania. Over that period, he umpired more than 150 1st

His first Grand Final, in his first season following his transfer from Victoria, was the 1965-66 decider standing with Fred Hay where Sandy Bay held on for a draw against North Hobart to claim the premiership, and last was in 1980-81 standing with Alan Jones when Sandy Bay defeated South Hobart by 25 runs.

He umpired at First Class level, stood in the famous Gillette Cup Final at the TCA Ground in 1979, won by Tasmania, and, also in 1979, became the first Tasmanian umpire to stand in a One-Day International in a match between Australia and England in Sydney.

Raymond K. Brown

CLUB	CAREER SPAN	мтснѕ	RUNS	HS	AVG	WKTS	BEST	AVG	5WI
	1970-71 to 1988-89								

Beginning his 1st Grade career with University in 1971, Ray Brown became a renowned finals specialist over 241 games. This was first demonstrated in the 1974-75 season, when in the Grand Final against Clarence, which University won by an innings, he scored 33 and claimed 4/9 and 3/30

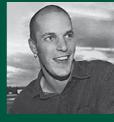

to cap off a season total of 43 wickets @ 14.12.

Further success came in 1977-78 in what his most dominant all-round season was possibly. From 15 games he took 38 wickets @ 13.55 including four 5WI, and scored 410 runs @ 41.00, culminating in another Grand Final win over Clarence by 119 runs when he scored 74 and followed up by 5/24 with the ball.

In 1980-81 he was voted Player of the Year, becoming University's first ever recipient of the award later named the Emerson Rodwell Medal, after taking 34 wickets @ 18.79.

Grand Final success came again in 1985-86 winning his third Player of the Final award after claiming a career best 6/31 in University's comfortable win. This success was repeated the following year, also against Clarence.

His contribution to the competition continued off-field post-player career, becoming Chairman of the Grade Cricket Committee (later Premier League Committee) in 2003 and continuing until 2007, and remaining a Committee member for a further decade.

Mark D. Colegrave

Clarence	1986-87 to 2008-09	296	2,079	100*	14.24	744	9/42	17.13	45

A tall fast swing bowler with a smooth action, Mark Colegrave was the dominant bowler in the competition during his era.

After debuting as an eighteen-year-old late in the 1986-87 season, he went on to play 296 games and claim 744 wickets, before retiring 23 seasons later as a two-time Player of the Year (Emerson Rodwell Medallist).

He was a key member of Clarence's success throughout his career, highlighted by the dominant teams winning four premierships in a row from 1987-88 to 1990-91, the famous Grand Final of 1994-95, and the star-studded teams of 2002-03 and 2003-04.

In the 1990-91 win over Glenorchy, he was named Player of the Final after scoring 100 not out having batted as the night watchman at number three. He also took 2/35 with the ball.

His most prolific season was 1999-00 taking 71 wickets @ 13.92 including seven five-wicket innings. Two seasons earlier in 1997-98 he was voted Player of the Year claiming 68 wickets @ 17.78, and late in the season took career best figures of 9/42 against Lindisfarne. He became a multiple Player of the Year recipient in 2003-04, tieing with Graeme Cunningham, after taking 35 wickets at the miserly average of 10.51.

A Sport for All - Community Cricket Awards

Australian cricket's community heroes for season 2018-19 have been honoured at Cricket Australia's A Sport for All Awards in Melbourne on May 23.

National awards in twelve categories recognised members of the cricket community from around the nation who demonstrated excellence in strengthening clubs, growing participation and building community through diversity and education.

Tasmanian doctor and president of the University of Tasmania Cricket Club, Charles Rose took out the coveted Volunteer of the Year Award.

Charles worked tirelessly to create a culture of inclusion at his club and throughout the greater community, hosting the 'Don't Give Up, Give Back' Cup – a cricket tournament for people seeking asylum, refugees and international students from south Asia.

Former Australian fast bowler, Glenn McGrath was on hand to inspire the gathering of volunteers from across the country and to present awards.

The Tasmanian Winners of each section were:

Woolworths Cricket Blast

The revamped entry level programs through the new partnership with Woolworths were a key feature of the 2018-19 season. Following extensive market research and feedback from community cricket stakeholders across the country, the updated programs better reflect the vital role that community clubs and associations play in the delivery of these programs and further strengthen the junior cricket pathway.

School Programs

The Woolworths Cricket Blast T20 Schools Cup program gives schools and students the opportunity to engage in the game in the style of the Big Bash League. Boys and girls in grade 3-6 take part in small-sided action-packed games where the ball is always in play and every player has their moment in the spotlight.

The program plays a vital role linking schools participating in the Woolworths Cricket Blast skill development programs with the opportunity to put these skills to the test in game situations. This season 4,000 students competed for their school in local events and regional finals with winners progressing through to the State final, which was played at University of Tasmania Stadium in Launceston.

The Woolworths Blast School Cup - state finals were played on UTAS Stadium on Friday 30 November with 24 teams competing across three divisions.

The winners were:

Grade 5/6 Boys Launceston Church Grammar School
Grade 5/6 Girls Corpus Christi

Grade 7/8 Girls Mt Carmel College

This season saw ongoing development of the Woolworths Cricket Blast skills program with students at schools all over the state taking part. This program is a curriculum aligned unit of cricket designed to encourage and assist Health and Physical Education teachers to incorporate cricket into their delivery of the curriculum.

The school-based program also provided an excellent link to community Woolworths Blast centres with students encouraged to join their local centre and play Woolworth Master Blaster matches in a club environment. The program provides an ideal match format for developing cricketers and allows young players the time and space to develop their skills in preparation for junior club cricket. The Woolworths Master Blaster centres allowed teams from clubs all over the state to begin their journey in the game and provides an ideal bridging and development program between Woolworths Junior Blast and junior club cricket combined with the fun, excitement, sounds and family friendly timeframes of the Big Bash League.

Women's Club Cricket

In 2018-19 the Kookaburra Southern Cricket Association expanded its successful women's competition with 7 teams competing throughout the year. The competition featured a game format that ensured every player was involved in every match, every week and was extremely popular with the participants.

The Cricket North West women's competition also expanded with the introduction of a 2nd division featuring modified games and a relaxed environment creating an ideal landscape for players exploring cricket for the first time.

The Club based competitions are being supported by increasing school involvement with high school girls' competitions being developed and expanding in each region. These competitions provide a relaxed and social introduction to cricket and aim to inspire girls to take their game to a new level. These were supported by regular visits from Roar and Hurricanes WBBL players.

Growing Cricket for Girls -Funding and new competitions

The Growing Cricket for Girls funding scheme continued to support the growth and development of junior girls teams in 2018-19. Grants supported associations, clubs and schools developing new teams and competitions in Hobart, Launceston and the North West. As the age groups expand the range of competitions and pathway progressions continues to develop to ensure girls have every opportunity to play and enjoy cricket and pursue the game to their full potential.

Overall, 42,267 Tasmanians participated in cricket programs during the 2018-19 season. This included over 14,000 female participants including over 3,000 in regular school & club competitions.

Facilities

The National Community Facilities Funding Scheme, with support from Cricket Tasmania's grassroots funding program, saw support provided for a range of community facility developments targeted at facilitating participation growth. The program engages funding from Cricket Australia, Cricket Tasmania and other supporting partners such as local & state governments to ensure community facilities can meet the demand of ongoing participation growth. This season, projects were funded at the Scamander Cricket Club, Churchill Park Recreation Ground, Shoobridge Park, TCA Ground, KGV Oval and Launceston Grammar School.

Australian Cricket Infrastructure Fund (ACIF)

Cricket Tasmania received 15 completed applications for a total value of over \$330,000 for the \$237,000 of funding available with a range requests from Turf & Synthetic centre and practice wickets, change room upgrades, lighting, scoreboards and grandstands.

11 of the projects (detailed below) received funding from the ACIF with the total value of the projects worth \$4.4 million upon completion.

Northern Tasmania

- Female friendly improvements to NTCA Ground changerooms and facilities.
- Devonport Oval indoor training facility upgrades.
- Stanley Recreation indoor cricket net development.
- Installation of turf practice wickets at Invermay Park.
- Centre wicket redevelopment at Westbury Recreation Ground.
- Expansion of centre pitch block at UCI Oval, Ulverstone
- Expansion of centre pitch block at Latrobe Recreation Ground.

Southern Tasmania

- University Oval pavilion redevelopment.
- Synthetic pitch replacements at Boyer Oval Reserve and Tynwald Park Reserve.
- Synthetic pitch replacement at Abbotsfield Park.
- Synthetic pitch replacement at Kingston Beach Oval.

The Captain's Challenge

74

This fundamental motor skills program aligns directly with the school curriculum and gives classroom teachers the opportunity to develop basic ball skills in a fun engaging program indoors or out whether there is rain, hail or shine.

Woolworths Cricket Blast Program

Over 70 volunteer coordinators from different clubs, schools and communities committed themselves to deliver a Woolworths Cricket Blast program, ensuring Tasmanian youngsters had a great first experience in the game. The program focusses on fun, and developing a skill base through games in preparation for further engagement through the fun and excitement of Woolworths Master Blaster matches.

Woolworths Cricket Blast Master Blaster

The Woolworths Master Blaster program continues to be a significant step in the Junior Cricket Pathway. Kids aged 7-11 took part in the program, getting the opportunity to be their own Big Bash League Star on their local oval with their friends.

Woolworths Cricket Blast School Ambassadors program

The School Ambassador Program continues to serve as a strong link to introduce kids across the state to cricket. This year saw schools across the state engage with the program. The School Ambassadors were thanked, celebrated and recognised at two functions – one at UTAS Stadium and one at Blundstone Arena during Hurricanes matches.

Hurricanes Holiday Camps and Entry Level Programs

During the Summer School holidays, we offered Holiday Camps and Entry Level Programs in all 3 regions providing an opportunity for kids to continue to enjoy their cricket and engage with the Hurricanes throughout their school holidays.

Indigenous Cricket

Indigenous Cricket & National Indigenous Cricket Championships (NICC)

The Tasmanian team at this year's championships was once again focussed on emerging talented young cricketers with Tasmanian Underage representative players Rhys & Liam Ward, Jackson Clifford, Blake Sculthorpe and Brodie Hayes.

In the female competition three Tasmania players represented Victoria and NT (Emma Manix-Geeves, Tayla Wigg - Victoria & Hannah Wilson - NT) with Emma Manix-Geeves having an outstanding tournament to be selected in the Black Caps and finished the week as the Player of the Tournament. Taylor Wigg (Burnie CC) won the fielding award for her wicketkeeping performance and was also selected in the Black caps team.

The NICC was again staged in Alice Springs and Tasmania's team coached by Paul Collins & Guy Grey and captained by Kingborough's Rhys Ward.

The team finished the tournament in 4th place losing a semi-final against eventual winners NSW. Previously they had recorded three wins (WA, SA, and NT) and three losses (NSW, QLD & narrowly to Victoria) in the T2O format. Unfortunately, due to the unavailability of Traeger Park, no 50-over games were feasible in the time-frame.

Callan Morse was an excellent player for Tasmania opening the batting and excelling in the field and was recognised with selection in the Black Caps team of the tournament.

Tasmania's Male Indigenous player of the Year was Josh Barry for his strong all-round performance during the NICC carnival, whilst the team overall was also recognised for its contribution to the Community with their ongoing support and engagement with the Community Divisions of the competition. This process is led by Guy Grey whose contribution as volunteer for Tasmanian Indigenous cricket has been significant over 15 or more seasons.

The Hurricanes Indigenous Academy played a series of matches against the Sydney Thunder in Latrobe with the Hurricanes winning the men's matches 2-1, whilst Sydney Thunder won the women's matches 2-0 meaning Sydney Thunder won on overall aggregate. The exchange featured cultural components with a welcome ceremony conducted by the Devonport branch of the Tasmanian Aboriginal Council.

Thank you to Kartanya Maynard for her Welcome to Country performing a ceremony prior to the Hurricanes first home BBL match.

National Cricket Inclusion Championships - Tasmanian Team

With the ongoing support of the NEW Horizons Organisation, Tasmania again fielded a team in the National Inclusion Cricket Championships in Geelong

The team competed with great enthusiasm and amazing team spirit recording one win over five matches.

Every player in the team supported each other and displayed the best of what playing cricket can develop skills, inclusion, collaboration and sportsmanship.

Justin Nilon and Connor Sheppard were selected in the Australian ID squad and will compete in a tri-nations series in Brisbane in October 2019.

The group can be challenging to manage and the tournament would not be possible without the support of volunteers Jason Schmidt, Liam Devlin and Stuart Schultz from New Horizons.

A special mention to Simon Aufder-Heide for his work developing the program to this point before moving onto his new role outside of cricket.

The Cricket Tasmania Club Development program also encourages clubs to pursue inclusive practices and ensure their clubs can cater for the vast majority of cricketers with a disability who are already integrated into the mainstream

The combination of the Hurricanes Inclusion Cup and an increased player pool part of longer term strategies to identify junior and female players and improve integration of players into mainstream cricket at every opportunity.

The Lord's Taverners North-South Challenge took the Intrastate component of the competition to new levels with a series of matches held throughout the year creating more opportunities for new players to get involved. These matches had great support from High Performance Cricket Tasmania and the Trevallyn Cricket Club in Launceston.

Indoor Cricket - "Beastwear" **National Indoor Cricket League**

In the second year of the National Indoor Cricket League, the Eastern Shore Bombers won the Tasmanian Division.

They progressed to the National finals and travelled to Adelaide to compete, where they were competitive in all 6 of their games recording two wins in the pool matches

A committed group of stakeholders are currently working to establish a Tasmanian Indoor Cricket Association to further foster and coordinate the development of the 4th format of the game in the state.

Hurricanes T20 Champions League -Inter Cultural Sports League (ICSL)

A committed band of volunteers headed by the indefatigable Raj Chopra have developed the Intercultural Sports League to bring local communities from diverse backgrounds together for the love of sport.

With assistance from Cricket Tasmania, the competition continues to grow with 11 teams competing in the T20 cricket competition.

The competition in its 3rd season was won by the Thunderballs Cricket team. The competition is looking to continue to expand next season and aims to further celebrate and develop inclusion and diversity through sport.

Club Cricket

Junior Club Cricket

The Junior Formats continued to deliver great results for iunior competitions around Tasmania with the revised formats providing more fun, more action and better skills development for all players involved completed in less time to fit into busy lifestyles.

Over 3700 underage club cricketers are the future of the game in Tasmania with players competing across multiple formats and age groups providing the transition and skill development environment crucial in nurturing our young players through to senior cricket.

T20 Blast program was further embedded into the junior pathway with players making the transition from Woolworths Cricket Blast towards junior club cricket.

Safeguarding Children

Aligned to the Cricket Tasmania Affiliation program the updated National Safeguarding Children policy was rolled out across Junior Club Cricket during the 2018-19 season. The policy seeks to ensure all children participate in a safe environment and clubs and their players, parents and volunteers are aware of the processes and education programs required to provide this safe environment.

Grassroots Cricket Fund

Sixty-four Affiliated Tasmanian clubs applied for funding for equipment purchases through this fund with up to \$2500 available per club. These clubs stand to share around \$160,000 in extra revenue to support their ongoing operations.

Electronic Scoring

45% of all cricket matches held in Tasmania were scored using electronic scoring. This saves significant volunteer time and provide direct upload of results to MyCricket saving countless further hours for volunteers. Further, when scored online progress of matches can be followed in real time from anywhere in the world enabling our players and their supporters to stay connected throughout the season.

Senior Club Cricket

Cricket Tasmania commenced a new partnership with the Tasmanian Cricket League to provide competition administration support. Based on the successful model with the Kookaburra Southern Cricket Association further partnerships are being forged with Community Associations across the state aimed at alleviating volunteer workload to support greater investment into the development of each associations clubs.

All associations and clubs rely on countless hours of volunteer work to deliver their programs from one season to the next. The Cricket Tasmania Volunteer Recognition program seeks to empower clubs with further opportunities to recognise this valuable resource for Tasmanian cricket.

Huon Channel Bushfire relief match - Cricket Tasmania supported the Huon Channel Cricket Association to host a Bushfire Relief fundraising match in the aftermath of the extensive bushfires that affected the region during January. We received outstanding support from George Bailey who assisted with a childrens' clinic prior to the match held at Huonville.

Further volunteer and club support is provided across competitions through areas such as coach and umpiring education, club development, facility developments, administrative support and assistance with grants.Les

Hurricanes Community T20 Cup

The Hurricanes Community T20 Cup provides the opportunity for the T20 Champions from each association to test themselves against the best community teams from around the state.

Built into the overall season the competition culminated in a series of finals matches on Monday 11th March in Launceston. Forest/Stanley CC, Wellington CC, Kingston Crows CC and Launceston CC competed at the NTCA Complex with games played in good spirit. Launceston CC proving too strong on the day recording comfortable victories in both their semi-final and finals matches.

Club Development Expos

The Club Development expos are designed to support clubs with their ongoing administrative and compliance challenges. The Expos in each region were well supported with over 250 volunteers attending covering 72 clubs and 11 associations.

Topics Included:

- Club Health Sessions inc. Mental Health, Volunteer Support, A Sport for All Workshop & Safeguarding Children
- Financial Management & Sponsorship
- Marketing & Promotion including Social media
- Community (Level One) Coaching Course
- Competition Management & Electronic Scoring
- Junior Formats Upskill Sessions
- Association pre-season meetings

Strategic and Operational Consultant - Cricket Clubs

The role of Strategic and Operational Consultant - Cricket Clubs was created this season to help cricket clubs in Tasmania grow and thrive by providing additional strategic and operational guidance over and above what is supplied through existing roles and channels such as the Club Development Expos.

Cricket Tasmania identified Glenorchy CC, Brighton DCC, Riverside CC and Wynyard CC as four strategically significant clubs for Tasmanian Cricket that for various reasons required additional support. The strategic and operational consultant has worked closely with the four clubs to undertake a qualitative stakeholder engagement survey. The results of the survey are then presented to the club with recommendations on strategies and practices that the club can put in place to address the stakeholder perceptions of the club. When the club determines which recommendations are priorities to action, Cricket Tasmania endeavours to provide further support to internal resources as well as case studies for clubs to use as a reference.

Feedback from the clubs involved so far has been positive with clubs actioning recommendations within the report. Cricket Tasmania will be looking to further increase the program in future years to support more clubs around Tasmania.

Veterans Cricket Tasmania

Veterans Cricket Tasmania continues to grow with more interstate and international competitions for Over 50's and over 60's males and interstate competitions for over 40's females and over 70's males.

Tasmania was represented by Glen Richardson and Pat Healy in the Australian Over 60's team that toured New Zealand and is currently touring England. The UK Over 60's team is visiting Australia in October and November and with Tasmania hosting matches as part of this tour. Veteran's Cricket Tasmania now fields separate over 50's, over 60's and over 70's teams with a coordinator for each program.

The game continues to evolve and grow at "grassroots" levels and we strive to provide leadership and service to our army of volunteers as they work to meet the challenges of the 21st century for community sport and community sporting clubs and competitions. For all of our volunteers and their amazing work, we say thank you.

Cricket Tasmania Annual Report 2018-19

Cricket Tasmania Annual Report 2018-19

Umpiring & Scoring

From Match Officials Manager Gerry O'Dea

80

For the 2018-19 season,
Tasmanians Sam Nogajski and
Mike Graham-Smith retained
their positions on Cricket
Australia's National Umpire
Panel for the seventh and sixth
years respectively with Sam
also standing in his second
consecutive Sheffield Shield Final.

Both men also had outstanding seasons at an International, National and Domestic level where Sam, was awarded his ninth Tasmanian Umpire of the Year Award at the Cricket Tasmania Awards Night while Mike stood in his sixth CTPL Grand Final. Sam was also named as one of the twelve on-field umpires for the 2018 ICC Women's World Twenty20.

Darren Close, from the North-West continued his fine form on the CA Supplementary Umpire Panel and was a stand-out in the WBBL officiating in a semi-final and standing in the WNCL grand final. Darren continues to put back into cricket at a grassroots level, working as the umpire educator for Cricket Tasmania North-West. Darren also stood in his fourth consecutive CTPL Grand Final, accompanied by Mike Graham-Smith. Mike also had the distinction of travelling to New Zealand on an CA umpire exchange trip.

In mid May 2019, Cricket Australia released their updated squad members for the 2019-20 austral summer. Overall the new arrangements mean that of the 18 umpires on CA's top two domestic panels, eight are from NSW, four Victoria, three Tasmania, and one each from South Australia, Queensland and Western Australia. For Tasmania, this once again confirmed the good work done by CT State Umpire Coach, Richard Widows.

This season gone, we also welcomed into the fold, former ICC umpire Jerry Matibiri, who moved to Hobart from Zimbabwe. Jerry was quickly added to the CT State Panel and moved into the WBBL ranks as well as travelling to Adelaide to officiate in the CA Premier Cricket T20 tournament.

Of the other State Panel umpires, Muhammad Qureshi officiated in the National 19's Championships and Greg Beechey went to the National 17's Championships representing Tasmania.

At seasons end, Wade Stewart was recognised as the CTPL Umpire of the Year, and also won the Heapy/Pollard Medal in first grade. New umpire Brett Walker had an outstanding season, and easily won the Best First Year Umpire Award while it was also pleasing to see our only female umpire, Soniya Sharma, recognized as the Most Improved Umpire in the CTPL.

It was another busy season, with increases in the number of games requiring officiating. The inclusion of Brighton CC and the Northern Raiders were a welcome addition and it was pleasing to see Cricket North umpire Scott Whitters quickly establish himself as a first-grade umpire of quality. There is no doubt that with the introduction of the Northern Raiders, the opportunity for umpires to join the pathway to CTPL cricket increased for those umpires based in the North and North-West. It is now incumbent on Cricket Tasmania to provide sufficient training opportunities for those umpires who want to grasp it.

Many thanks to the many people who contributed to the success of cricket this season – be they umpires or scorers, we had some outstanding contributions from the people who staff the Training, Education and Accreditation Committee, the CT State Umpire Panel, the CT State Scoring Panel and the CTPL Appointment Panel. Many thanks also to Ron Reinhard and Peter King, the Umpires Advisors for Cricket North and Cricket North-West for all their hard work on training and appointments this season.

2018-19 TCUSA Umpire Milestones

100 Games	Nigel Wilson, Gilbert van der Steege and Muhammad Qureshi
150 games	Alan Tyne
200 games	Greg Beechey, David Matthews and Harvey Wolff
250 games	Simon Burns
350 games	Martin Betts, Bruce Parker
500 games	Steve Gibson

Match Officials Season Highlights

Gilbert van der Steege was recognized by winning the Cricket Australia Sport for All Community Official of the Year in Tasmania. Gilbert also travelled to Shepparton as the Tasmanian representative for the Australian Country Cricket Championships.

Sam Burns travelled to Victoria to umpire in the National Female 18's Carnival.

Simon Burns officiated at the State Schoolboys 15's carnival in Queensland and was selected to stand in the Grand Final. Simon also relocated to Launceston, and assisted the NTUSA in a training capacity, while juggling umpiring commitments at both ends of the State.

Roy Loh was awarded the TCUSA most improved scorer while Nigel Wilson won the best first year scorer.

Craig Seabourne received great reviews for his efforts on the Cricket NSW umpire exchange program.

Steve Jewell was awarded the CTPL Scorer of the Year for his outstanding work as a State Panel and North Hobart scorer. A very worthy winner.

Jamie Mitchell and Greg Beechey were worthy selections as umpires in the CTPL Team of the Year. Jamie is a repeat winner, but this was Greg's first time.

Greg Beechey and Mark Wickham were presented with Chairman's Awards for their services to cricket umpiring at the Rodwell/Fazackerley dinner.

Andrew Ikin did an outstanding job in the heat officiating at the National Indigenous Cricket Championships in Alice Springs.

The inclusion of Cricket North umpires into the CTPL. Scott Whitters, Bryan Dryden, Russell and Craig Johns all stood in CTPL games, with Whitters in particular, being promoted to First Grade and performing well.

High Performance

From General Manager **Drew Ginn**

Elite Programs

Male Program

Adam Griffith led the Tigers and Hurricanes Male programs in 2018-19, with Gary Kirsten stepping down as Hurricanes Head Coach.

Another leadership change happened early on in the season, with Matthew Wade replacing George Bailey as Tigers and Hurricanes captain after Bailey decided to step down from the positions.

The season started positively for the Tigers in the One-Day Cup finishing second on the table and defeating Queensland in the semi-final. The Grand-Final was played at Junction Oval where Victoria defeated Tigers by 110 runs. Following the One-Day Cup results and finishing runnerup the previous season in the Sheffield Shield, the Shield season started with much hope and two wins and a draw from the first five games. However, only one win came from the remaining five games, with the Tigers slipping to fifth on the Sheffield Shield ladder by the end of the season.

The BBL season started brilliantly with the Hurricanes winning their first five games, before eventually finishing the roster season in first position on the ladder with ten wins and four losses. However, the Melbourne Stars upset the Hurricanes in the semi-final at Blundstone Arena winning by six wickets with seven balls remaining.

Female Program

Salliann Briggs joined Cricket Tasmania ahead of the 2018-19 season as Head Coach of the Tigers and Hurricanes Female programs, with Dan Marsh returning to the organisation as Assistant Coach.

Ahead of the season there were also changes to the onfield leadership, with Brooke Hepburn and Sasha Moloney becoming Tigers and Hurricanes captains respectively. The WNCL was the Tigers most successful season since joining the competition, winning four of their six matches and finishing in the third position out of the Final separated from the top two by only bonus points.

The WBBL season wasn't as successful with the Hurricanes winning two of fourteen games, however this did include several narrow losses and the foundations firmly established for success in the standalone WBBL|05 in 2019-20.

High Performance Pathway

U15 Male

The National U/15 Championship were held on the Sunshine Coast in February 2019. The team performed admirably in trying conditions, staying competitive throughout the tournament. The team rewards came on the final day, where Tasmania defeated Northern Territory by 233 runs to record their only win of the tournament and finished ninth overall.

Results aside, there were many performances that indicated that the group will be strong as it progresses through the pathway program. Nicholas Williams was the teams' leading run scorer with 176 runs, whilst Ryan Borsboom claimed a massive ten wickets in total.

There is a strong focus on talent identification at this Championship, and two Tasmanians, Cooper Anthes and Sam Voss, were recognised through selection in the Cricket Australia training squad.

U15 Female

Canberra hosted the U/15 Female National Championships from 20-26 February 2019, with the Tasmanian side winning one match from its four T20 matches, and three one-day matches plus a final.

There were some standout individual performances, resulting in Melodie Armstrong, Maddison Brooks and Amy Smith being selected in the Australian Talent Squad.

Armstrong was the teams' leading run scorer at the Championship with a total of 211 runs, Books the leading wicket taker with 12 wickets,in addition to scoring 197 runs, whilst Kate Sherriff (134 runs), Hannah Powe (eight wickets) and Cassie McLoughlin (six wickets) also making good contributions.

U17 Male

The U/17 Male Championships commenced in Mackay on 1 October 2018, before moving to Brisbane for the second week of the competition. The team finished with four wins against the CAXI, Western Australia, NSW Metro and South Australia, three losses and a washout in challenging conditions.

Will Collins was the teams' leading run scorer (270) and wicket taker (13), with Mitchell Owen (219 runs) and Nicholas Davis (ten wickets and 186 runs) also leading individual contributors.

Collins and Owen were both selected in the Australian U/17 side, with Owen captaining the team CAXI at the U/19 Championships, whilst Davis was added to the U/16 Australian team on the back of his Championship performances.

U18 Female

The U/18 Female National Championships were contested in Ballarat and Bendigo from 14-24 January 2019, with the Tasmanian team winning three matches and finishing in sixth position from a total of ten teams in the one-day component, and further in their pool in the T20 competition.

The teams' best performers included leading run scorer Emma Manix-Geeves who scored 176 runs in total during the tournament and Amy Smith with 119 runs. Captain Sophie Parkin and Ella Marsh claimed 11 and ten wickets respectively, whilst Bonnie Davies scored 166 runs and took 12 wickets.

U19 Male

The U/19 Championships were held in Adelaide during December 2018, with the Tasmanian side playing an outstanding brand of team cricket. All players at some point made important contributions to the team and this was reflected in our best result in many years. The young Tigers won five of their eight matches to finish ranked fifth.

Outstanding performances from the captain, Keegan Oates saw him finish as the leading run scorer for the Championship with a total of 430 runs. Jake Williams also excelled with the bat to finish fifth with 348 runs, whilst Blake Cassidy and Jarrod Freeman were the team wicket takers with ten apiece.

Oates was also named Player of the Championship, and together with Freeman was selected in the Australian Under 19 team. The Australian team toured Sri Lanka and were joined by Wade Townsend, who was appointed assistant coach for the tour.

Jarrod Freeman made his debut for the Hobart Hurricanes, and both he and Keegan represented Tasmania in the Futures League (Second XI).

Talent & Player Development

Elite Player Development - Female

The last 12 months has seen work on a number of key areas in the female Player Development Program.

The players worked hard to uncover the history of women's cricket in Tasmania, having conversations with past players and coaches. As a result of this, three key team behaviours were developed. The behaviours are an integral part of the program both on and off the field and underpin everything.

In weekly professional development sessions, a number of activities were undertaken to develop skills such as providing and receiving feedback, having difficult conversations and embracing vulnerability. Each of the players completed an Individual Development Plan

and set objectives, actions and measures in relation to the development of their careers outside of cricket.

MyState were partnered closely with throughout the season, providing opportunities for the players to develop their financial literacy and network with women working in the finance industry.

After a huge amount of changes within the women's program, a main objective for season 2018-19 was for the players to identify what balance looks like for each of them. In line with this, a number of workshops were held throughout the season in order for the players to explore various hobbies and interests outside of cricket.

Elite Player Development - Male

The core purpose of the program is to empower players to be healthy, balanced and capable people leading successful lives on and off the field.

Since Ben Mabon started in the role in December 2018, there has been a focus to help players find off field activities that they are passionate about whether it is study, charity or work experience. Ben has also focused on building the trust and respect of the playing group.

The program aims to leverage on existing relationships with other professional sporting clubs across Australia to give players and staff the opportunity to gain exposure to and learn from other organisations. Looking forward, there will also be a focus to increase presence in the community through aligning with several charities.

Hurricanes State Championships & Regional Academy

Hurricanes State Championships & Regional Academies

After a success pilot of Hurricanes Youth U13 Academies in 2017-18, regional academies were developed statewide for girls (U/14 & U/17) and boys (U/13, U/14, U/15 and U/16). The programs are designed to support skilled male and female cricketers who demonstrate talent and character traits required to succeed but may not have been selected into State level programs.

On a state-wide level there were substantial efforts from all involved, including clubs and volunteers who ensured quality outcomes for both the players and coaches during the eight- to nine-month program. The Program included 66 fixtured games of cricket throughout the state, and the extended format provided both players and coaches with ongoing learning opportunities.

Over 270 players progressed through the program and were well supported by a volunteer network of over 50 coaches.

A further advantage during this season came in the form of current and former Tasmanian players and coaches including, Tim Coyle, Roger Brown, Clive Rose, Katelyn Fryett, Brook Hepburn, Sasha Moloney and Nick Courtney who contributed through providing specialist coaching to squads with support of the ACA.

In a new initiative, Cricket Tasmania sent U/13 Girls and U/13 Boys squads to Melbourne for a week-long tournament with Cricket Southern Bayside (Cricket Victoria). The week included a combination of turf and synthetic wickets with the girls and boys playing Junior Formats at a representative level. Through this opportunity, and what the players exhibited throughout the season, we believe our ongoing investment and commitment in both youth talent and coach development will continue to provide Tasmanian cricket with a strong foundation for the future.

U17 Girls Hurricanes State Championships

With a new format and fixturing spread across the season, the first round of Championship matches was played in October and November 2018 with the Northern Force, North West Lightning, Southern Storm and the State U/15 Development Team competing in the competition. The format provided valuable preparation and opportunity for girls vying for selection in the State U/18 and U/15 sides

to play in the National Championships in January and February 2019. The cricket was competitive over the six rounds with each region winning at least one match.

The final was played between the Southern Storm and North West Lightning, with the Southern Storm proving too strong after strong performances with the bat and ball.

U14 Girls Hurricanes State Championships

The U/14 girls competition had a strong focus on providing girls with further playing opportunities. The six-round competition was played throughout the state between October 2018 and January 2019, including Southern Storm Black, Southern Storm Purple and the Northern Force (combined team). There was some strong progression by several girls through being provided with more training opportunities in a dedicated program.

The final was played between Southern Storm Purple and Southern Storm Black with Southern Storm Purple winning through an excellent bowling and fielding performance.

U14 Boys Hurricanes State Championships

Continuing with the new fixturing in the U/14 boys, there was plenty of good cricket being played. The competition consisted of two Southern Storm teams (Black and Purple), the Northern Force and the North West Lightning. The three one-day and three T20 rounds gave all players a great opportunity to showcase their skills. This age group provided the only century in the male competitions, with a brilliant 110*off 82 balls by Ozzie Warmbrunn.

These games also provided players with the chance to push for underage selection in the state U/15 side which played in Queensland in February 2019, with several of the players being selected despite their younger age.

The two Southern Storm teams ended up battling it out in the final with the purple side coming out as the eventual winners.

U15 Boys Hurricanes State Championships

The U/15 age group also consisted of four teams spread throughout the state with the best talent meeting in games between October 2018 and March 2019. The U15 championships is one of the more important age groups, as all the players are competing for the 13 available spots in the State U/15 side. Unfortunately, through the

season the fixture was plagued by rain with over half of the games being abandoned. This however didn't stop the remaining six games from being very competitive. With some tight bowling figures to protect a respectable total of 183, Southern Storm Black restricted Northern Force to 142 off 45.4 to win the final.

U16 Boys Hurricanes State Championships

This was played on the North West Coast over four venues with in Launceston, Pontville and Ulverstone. Both the facilities and catering were fantastic for the hotly contested three-round competition and Final. The competing teams were the Northern Force, North West Lightning,

Southern Storm Black and Southern Storm Purple.

After four very good days of cricket and terrific weather, the Northern Force proved too strong for the Southern Storm Purple, giving underage selectors a solid preview of next season's U/17 State squad.

Coach Development

Cricket Tasmania conducted a variety of coach accreditation courses, upskilling seminars and club visits in each region of the State.

State Coach Development Manager John Hayes and Coaching ant Talent Specialist Michael Farrell travelled the State working with coaches across the representative and community club landscape, with training courses being supplied to them.

This season saw the pilot of Representative Courses in

Launceston and Hobart with over 30 attendees. The course supported by High Performance Staff including Drew Ginn, Salliann Briggs, Adam Griffith, Jeff Vaughan, and Ben Rohrer. Content experts, Ian Renshaw (Skill Acquisition), Tim Coyle (Fielding) and Brad Harman (Fielding) provided comprehensive and engaging presentations.

The Club Coaching Scheme was delivered to 20 clubs state-wide, providing a regular communication, planning and development channel to support those coaches working across these competitions.

Community Coaching Courses

Free community coaching courses were offered, leading to 100 coaches attending the Community Coaching Courses (Level 1) to equip themselves with skills and ideas for the best training and match-day management.

This in turn will maximise the participation rates and skill development levels of our young cricketers. Currently, Tasmanian cricket boasts 1,790 accredited coaches with over 90% of these coaches accredited at Introductory or Community Coach Level.

Junior, Representative & Premier Coach Recognition

Thousands of junior, representative and premier coaches across Australia are playing their part to help inspire, nurture and develop the next generation of stars, while enhancing the quality of their own cricket experience through coaching.

Cricket Australia recognised the contribution of some outstanding Tasmanian coaches.

Cricket Tasmania Annual Report 2018-19

Cricket Tasmania Annual Report 2018-19

2018-19 Financial Statements

Corporate Governance Statement

112

The Board recognises the importance of good corporate governance and establishing accountability of the Board.

The Board is satisfied with Cricket Tasmania's corporate governance framework. These policies and practices will ensure the continued effective management and operation of Cricket Tasmania.

Cricket Tasmania's corporate governance policies centre on the Board, the Board Committees and the principles that govern their interaction with, and oversight of, management.

Cricket Tasmania's corporate governance framework, policies and practices will remain under regular review as expectations and requirements develop to ensure Cricket Tasmania complies with better practices.

Risk Management Statement

Cricket Tasmania operates under a general risk management framework that encompasses the required activities of risk determination, risk recognition, risk assessment, risk management approaches and the ongoing review of risk mitigating outcomes across Cricket Tasmania's operations. These processes are consolidated into an Enterprise Risk Management framework, which includes:

- A Board approved risk assessment process based on assessing the likelihood and consequence of identified risks occurring;
- A senior management assessment of the Company's risk profile using the Board approved process;
- The generation of a Risk Register flowing from this assessment, including control effectiveness ratings of mitigation approaches; and
- A Board approved Risk Management Policy Statement setting out the responsibilities and ongoing reporting structures pursuant to these risk assessment outcomes.

This framework has recently been reviewed in detail. The continued refinement and ongoing review of these features occurs under the oversight of the Risk and Compliance Committee. Particular focuses in this regard include:

- The financial risk management practices undertaken pursuant to the financial risk management policy;
- The operation and reporting structures of Cricket Tasmania's Risk and Compliance Committee in relation to the risk associated with the legislative and regulatory requirements of Cricket Tasmania operations;
- The change management, standard operating environment, and security policy processes and practices that, along
 with other technology related risk management structures, reflect the risk management approach to Cricket Tasmania's
 technology infrastructure:
- An extensive annually determined insurance program constructed to cover insurable risks to the extent that the coverage
 is effective and efficient; and
- Ongoing assessments of the level of achievement of this risk management approach are undertaken by the Risk and Compliance Committee.

For the current reporting period, the Chief Executive and the Head of Finance have made statements in accordance with Recommendations 4.1 and 7.2 of the Corporate Governance ASX Practices and Best Practice Recommendations.

Company Secretary

N.W.R. Cummins, BA, appointed as Cricket Tasmania Chief Executive in April 2017 after previously being employed as General Manager Sydney Thunder at the New South Wales Cricket Association; 22 years in sports management including senior marketing roles at Fosters Group, Ford Australia and Betfair; served on Marketing & Commercial Committee, and Finance, Audit & Remuneration Committee.

Principal Activities

The principal activities of Cricket Tasmania in the course of the year were the administration of State cricket, promoting and conducting the game of cricket generally and the coaching of junior cricketers.

Changes in State of Affairs

During the financial year there was no significant change in the state of affairs of Cricket Tasmania other than that referred to in the financial statements or notes thereto.

Objectives of the Company

The short and long term objectives of the Company centre around the administration, development and promotion the game of Cricket in Tasmania. These objectives are reviewed and measured on a regular basis, and are the framework of Cricket Tasmania's strategic plan.

Subsequent Events

There has not been any matter or circumstance, other than that referred to in the financial statements or notes thereto, that has arisen since the end of the financial year, that has significantly affected, or may significantly affect, the operations of the company, the results of those operations, or the state of affairs of the company in future financial years.

Future Developments

Disclosure of information regarding likely developments in the operations of Cricket Tasmania in future financial years and the expected results of those operations is disclosed in this report where appropriate.

Officers and Auditors Indemnification

During the financial year, Cricket Tasmania paid a premium in respect of a contract insuring the directors of Cricket Tasmania and all executive officers of the Association against a liability incurred as such a director, or executive officer to the extent permitted by the Corporations Act 2001. The contract of insurance prohibits disclosure of the nature of the liability and the amount of the premium. Cricket Tasmania has not otherwise, during or since the financial year, indemnified or agreed to indemnify an officer or auditor of the Association against a liability incurred as such an officer or auditor.

Review of Operations

Cricket Tasmania is the administrative body for the game in Tasmania. This includes game development, high performance and the general promotion and growth of Cricket to all Tasmanians. In addition to administering the game, Cricket Tasmania holds a long term lease with the Clarence City Council for Blundstone Arena. Blundstone Arena plays host to international and domestic cricket and AFL Football as well as a host of other sporting and community organisations and events.

Cricket Tasmania's vision is to be Tasmania's favourite sport, a sport for all Tasmanians. This vision is underpinned by 6 strategic objectives identified in Cricket Tasmania's 2017-2022 Strategic Plan:

- Venue maximise revenue return
- Governance stable, quality Board and Management
- Finance solid financial footing, full commercial value realised
- Performance best practice program, winning teams, destination Association
- Female Friendly improved facilities, increased participation
- Tasmania's Team the leading sport in the state, engaged fans statewide

The final net result for the year was a surplus of \$906,383 compared with a deficit of \$1,645,367 in 2018. In 2019 the following two transactions were brought to account. A \$2,000,000 retrospective grant for the development of the High-Performance Centre in Blundstone Arena was received from Cricket Australia. The Commissioner of the Tasmanian State Revenue Office handed down a determination regards Payroll Tax Grouping with Cricket Australia which cost \$719,736. The operating surplus excluding these two transactions before depreciation and deferred grant income was an operating surplus of \$280,122.

Cricket Tasmania Annual Report 2018-19

The 2020 financial year will again see the return of International One Day Cricket to Tasmania, with Australia playing New Zealand in March 2020. The Hurricanes mens play 2 fixtures in Launceston and 1 fixture in Alice Springs, while the Hurricanes womens play 1 fixture in Launceston and 2 fixtures in Burnie as part of the Big Bash regional expansion and a focus on the Hurricanes as Tasmania's team. Blundstone Arena will also continue to host AFL Matches and other major events for Cricket Tasmania's members. Cricket Tasmania will continue to invest in the game in Tasmania, with a focus on participation as the Association strives to meet its vision as Tasmania's favourite sport.

Dear Board Members

Auditor's Independence Declaration to Tasmanian Cricket Association

In accordance with section 307C of the Corporations Act 2001, I am pleased to provide the following declaration of independence to the Directors of the Tasmanian Cricket Association.

As lead audit partner for the audit of the financial statements of the Tasmanian Cricket Association for the financial year ended 30 June 2019, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the Corporations Act 2001 in relation to the audit: and
- (ii) any applicable code of professional conduct in relation to the audit.

Yours sincerely

Independent Auditor's Report to the Members of the Tasmanian Cricket Association

Opinion

We have audited the financial report of the Tasmanian Cricket Association ("Cricket Tasmania") which comprises the statement of financial position as at 30 June 2019, the income statement, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and the directors' declaration.

In our opinion, the accompanying financial report of Cricket Tasmania is in accordance with the Corporations Act 2001, including:

- giving a true and fair view of Cricket Tasmania's financial position as at 30 June 2019 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards Reduced Disclosure Requirements and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of Cricket Tasmania in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Cricket Tasmania, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The directors are responsible for the other information. The other information obtained at the date of this auditor's report comprises the Directors' Report for the year ended 30 June 2019, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of Cricket Tasmania are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of Cricket Tasmania to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate Cricket Tasmania or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- . Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- · Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cricket Tasmania's internal control.
- · Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Cricket Tasmania's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Cricket Tasmania to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify

Notes to the Financial Statements

for the Financial Year Ended 30 June 2019

1. Summary of Accounting Policies

Statement of compliance

These financial statements are general purpose financial statements which have been prepared in accordance with the Corporations Act 2001 and Australian Accounting Standards - Reduced Disclosure Requirements.

The financial statements were authorised for issue by the Directors on 19 August 2019.

Basis of preparation

The financial statements have been prepared on the basis of historical cost, except for the revaluation of certain financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. Accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events is reported.

The financial statements have been prepared on the going concern basis. This contemplates continuity of normal business activities and the realization of assets and discharge of liabilities in the ordinary course of operations. The Directors are of the opinion that this basis of preparation is appropriate, noting that:

- Short term financing obligations are capable of being met from available liquid funds;
- Sufficient short term and long term banking facilities are in place;
- Cash flows from operations are forecast to be positive for FY20 and beyond; and
- The Board monitors its liquidity on a monthly basis through a series of independent determined benchmarks, these were met at 30 June 2019.

Adoption of new and revised accounting standards

The Company has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board that are relevant to its operations and effective for an accounting period that begins on or after 1 July 2018. New and revised Standards and amendments thereof and Interpretations effective for the current year that are relevant to the Company include:

- AASB 9 Financial Instruments and related amending Standards
- AASB 15 Revenue from Contracts with Customers and related amending Standards

In the current year, the Company has applied AASB 9 Financial Instruments (as amended) and the related consequential amendments to other Accounting Standards that are effective for an annual period that begins on or after 1 July 2018. AASB 9 introduced new requirements for the classification and measurement of financial assets and financial liabilities and impairment of financial assets.

There were no change to the classification and measurement of financial assists and financial liabilities as a result of the changes. Changes to the measurement of financial assets impairment were not material.

Cricket Tasmania Annual Report 2018-19

The Company has also applied AASB 15 Revenue from Contracts with Customers (as amended) in the current year, which is effective for an annual period that begins on or after 1 July 2018. The Company's accounting policies for its revenue streams are disclosed in detail in note 25 below. Apart from providing more extensive disclosures, the application of AASB 15 has not had any impact on the financial position and/or financial performance of the Company and there were no adjustments to previously reported amounts as a result of applying the new standard.

Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, management is required to make judgements, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources or estimation uncertainty at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Useful lives of Property, Plant and Equipment

As described in Note 1(g), the Company reviews the estimated useful lives of property, plant and equipment at the end of each annual reporting period. During the financial year, the directors made no change to the useful lives of the property, plant and equipment held.

Standards and Interpretations issued not yet effective

AASB 16 provides a comprehensive model for the identification of lease arrangements and their treatment in the financial statements for both lessors and lessees. AASB 16 will supersede the current lease guidance including AASB 117 Leases and the related Interpretations when it becomes effective for accounting periods beginning on or after 1 January 2019. The date of initial application of AASB 16 for the Company will be 1 July 2019. AASB 16 will change how the Company accounts for leases previously classified as operating leases under AASB 117, which were off-balance sheet.

125

On initial application of AASB 16, the Company will:

- Recognise right-of-use assets and lease liabilities in the consolidated statement of financial position, initially measured at the present value of the future lease payments;
- Recognise depreciation of right-of-use assets and interest on lease liabilities in the consolidated statement of profit or loss:
- Separate the total amount of cash paid into a principal portion (presented within financing activities) and interest (presented within operating activities) in the consolidated cash flow statement.

As at 30 June 2019, the Company has non-cancellable operating lease commitments of \$92,003 and the impact of adopting AASB 16 is not expected to be material. Similarly, the Company does not expect there to be a significant impact for assets held under a finance lease as a result of changes to the standard.

Significant Accounting Policies

The following significant accounting policies have been adopted in the preparation and presentation of the financial report:

(a) Income Tax

No provision for income tax is necessary, as the company is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(b) Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand; cash in banks and investments in money market instruments, net of outstanding bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

(c) Employee Benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required, and they are capable of being measured reliably. Liabilities recognised expected to be settled within 12 months are at their nominal values using the remuneration rate expected to apply at the time of settlement. Liabilities recognised in respect of employee benefits, which are not expected to be settled within 12 months, are measured as the present value of the estimated future cash outflows to be made by the company in respect of services provided by employees up to reporting date.

Defined contribution plans

Contributions to defined contribution superannuation plans are expensed when incurred.

(d) Financial Assets

Investments are recognised and derecognised on trade date where purchase or sale of an investment is under a contract whose terms require delivery of the investment within the timeframe established by the market concerned, and are initially measured at fair value, net of transaction costs except for those financial assets classified as at fair value through profit and loss which are initially measured at fair value.

Financial Assets at Fair Value through Profit or Loss

The Company has classified shares and options as financial assets at fair value through profit or loss. Financial assets held for trading purposes are classified as current assets and are stated at fair value, with any resultant gain or loss recognised in profit or loss.

Loans and Receivables

Trade receivables, loans, and other receivables are recorded at amortised cost less impairment.

Impairment of Financial Assets

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. They are generally due for settlement within 7-30 days and therefore are all classified as current. Trade receivables are recognised initially at the amount of consideration that is unconditional. The Company holds the trade receivables with the objective to collect the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method.

The Company applies the IFRS 9 simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables. The expected loss rates are based on the payment profiles of sales and the corresponding historical credit losses experienced within this period. The historical loss rates are adjusted to reflect current and forward-looking information affecting the ability of the customers to settle the receivables.

Derecognition of Financial Assets

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company, retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

(e) Borrowings

Borrowings are recorded initially at fair value, net of transaction costs.

Subsequent to initial recognition, borrowings are measured at amortised cost with any difference between the initial recognised amount and the redemption value being recognised in profit and loss over the period of the borrowing using the effective interest rate method.

(f) Impairment of Assets

At each reporting date, the Company reviews the carrying amount of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If such an indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

(g) Government Grants

Government Grants related to income are recognised as income over the periods necessary to match them with the related costs. Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the entity with no future related costs are recognised as income in the period in which it becomes receivable. Government grants relating to assets are treated as deferred income and recognised in profit and loss over the expected useful lives of the assets concerned.

The current liability portion of the deferred grant income contributes to an excess of current liabilities over current assets. The Directors note that this deferred grant income does not have a cash impact and believe the impact of this on the working capital deficiency is therefore not unexpected and is reasonable.

(h) Payables

Liabilities are recognised for amounts to be paid in the future for goods or services received, whether or not billed to the Company. Trade payables are normally settled within thirty (30) days. The net fair value of Creditors approximates their carrying amounts.

(i) Goods and Services Tax

Revenues, expenses and assets are recognised net of the goods and services tax (GST), except:

- i. where the amount of GST incurred is not recoverable from the taxation authority, it is recognised as part of the cost of acquisition of an asset or as part of an item of expense: or
- ii. for receivables and payables which are recognised inclusive of GST.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the statement of cash flows on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(j) Inventories

Inventories are valued at the lower of cost and net realisable value.

(k) Revenue Recognition

Sale of goods and disposal of assets

Revenue from the sale of goods and disposal of other assets is recognised when the company has passed control of the goods or other assets to the buyer.

Rendering of Services

Revenue from a contract to provide services is recognised by reference to the stage of completion of the contract.

Contributions of assets

Revenue arising from the contribution of assets is recognised when the Company gains control of the contribution or the right to receive the contribution.

(I) Leased Assets

Operating lease payments are recognised as an expense on a basis which reflects the pattern in which economic benefits from the leased assets are consumed.

(m) Borrowing Costs

Borrowing costs are recognised in profit and loss in the period in which they are incurred.

(n) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

(o) Finance Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the statement of financial position as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are immediately recognised in profit or loss.

(p) Other Financial Liabilities

Other financial liabilities, including borrowings, are initially measured at fair value, net of transaction costs.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the effective useful life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

(g) Property, Plant and Equipment

Assets acquired are recorded at the cost of acquisition, being the purchase consideration determined as at the date of acquisition plus costs incidental to the acquisition.

The depreciable amount of fixed assets is depreciated over their estimated useful lives commencing from the time the asset is held ready for use on a straight line basis. Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements. Depreciation of plant and equipment is done over 3-10 years, ground facilities are depreciated over approximately 10-20 years and leasehold improvements and the library are amortised over 40-50 years.
